MEMORANDUM

TO: Members of Council
FROM: Diane Wolgamuth, Director of Administration
DATE: January 6, 2023
RE: **2023 Committee/Commission/Board Appointments**

Appointment letters were sent to all Committee, Commission and Board members whose terms expired on December 31, 2022. All returning members have been invited to attend Monday's Special/Organizational Meeting to be given the oath of office. Following is a summary of expirations and changes in membership:

- **Board of Zoning Appeals** – The term of Stivo DiFranco expired and he has agreed to serve another four-year term.
- **Citizens Advisory Committee** – All current members are returning for another year with the exception of Mary Singer and Loretta Williams. New member Patti Ferris has been appointed by Mayor Bodnar and additional members are being sought to fill the remaining vacancies.
- **Planning & Zoning Commission** – The term of Paul Fikaris expired and he has agreed to serve an additional five-year term. In addition, long-time member and Chair, Vetus Syracuse, has resigned from the Commission due to his recent appointment as a full-time magistrate for the Cuyahoga County Probate Court. Mr. Syracuse also served as the P&Z representative to the Board of Zoning Appeals and P&Z will follow their usual procedure to select another member to serve in that capacity. Mayor Bodnar has appointed resident Randy Weltman to fill the P&Z vacancy and he has agreed, pending Council's approval. Mr. Weltman is a retired attorney, lives on Bonnieview Road, and currently serves on the Records Commission.

A Motion to approve all appointments has been placed on Council's Special Meeting agenda. As soon as all appointments are finalized, the Village Directory and the Term Expiration List will be updated and distributed.
