Garden Club Installs Blue Star Memorial By-Way Marker at Civic Center

On July 10, 2019, the Mayfield Village Garden Club, with help from representatives of the Garden Club of Ohio, and with Mayor Brenda Bodnar serving as the Master of Ceremonies, dedicated a Blue Star Memorial By-Way Marker on the grounds of the Civic Center. The Blue Star Marker is dedicated to all men and women serving in the U.S. Armed Forces. See Memo from the Mayor on Page 3.

Blue Star Memorial Dedication

Memo from the Mayor / Brenda T. Bodnar

Last year, members of our own Mayfield Village Garden Club came to me and asked that the Village work with them to seek a Blue Star By-Way Marker in our community. Of course, we were honored to assist and participate in that process.

The Garden Club of Ohio graciously granted our request for a Blue Star Memorial Marker, giving us the privilege of recognizing and remembering those who serve. We were grateful to have several representatives with us at the dedication, including President Mary Lou Smith, First VP Marlene Hatton, Second VP Kathy Wagner, and Cleveland District Directors Barbara Schuh and Kelly Sienborski.

Councilwoman Patsy Mills, Jean Britton, Karen Previte, and Marge Comella were among the members of the Garden Club who worked together for several months

to plan the dedication ceremony which was held on the evening of July 10, 2019.

For those of you who have not yet seen it, our Blue Star Marker is located near the entrance to the Civic Center, just off the main parking lot. For those of you that are not familiar with the significance of the Marker, it is a tribute to the men and women—past, present and future—who serve in our Nation's Armed Forces.

During WWII, families would place blue stars in their windows for their sons and daughters who had been deployed. The blue stars would be replaced by gold stars for those soldiers that had fallen. In 1946, the Blue Star Memorial Program was adopted by the National Council of State Garden Clubs, now known as National Garden Clubs.

The Garden Club of Ohio, seeking a way to express gratitude to those who fought for

our freedom, opened and dedicated eight roadside parks in 1947, placed a bronze marker at each location to commemorate the men and women who served in World War II.

Since that time, the Garden Club of Ohio has installed over 75 Blue Star Memorial and By-Way Markers throughout the State of Ohio.

I was proud to serve as the Master of Ceremonies at the dedication ceremony and, as I looked around, I didn't have to look beyond

Mayor Brenda T. Bodnar

Members of the Garden Club of Ohio participated in the Blue Star Marker Dedication Ceremony.

Memo from the Mayor, continued

my own line of vision to see the many things we have to be proud of in this great nation. I was proud to see our Police Chief Paul Matias and Fire Chief Eugene Carcioppolo in attendance, along with our Council President and several members of Council. I was proud that long-time resident of Mayfield Village, Art Goldstein, was there to lead us in the National Anthem as well as Pastor Stephan Secaur from St. Bartholomew's Episcopal Church, who provided a beautiful Invocation and Benediction. I was most proud to see a large group of spectators that evening, including several veterans of WWII.

To the north I could see Center Elementary School, a testament to the excellent public education we provide. And I could also see our iconic Gazebo and new Community Room, places where we gather to

Resident Art Goldstein played the National Anthem, God Bless America and Taps during the ceremony.

Long-time resident, former President of the Mayfield Township Historical Society, and WWII veteran Richard Negrelli (left) was on hand to witness the dedication of the Blue Star Marker along with a nice crowd of spectators, below.

relax and enjoy, to celebrate and be entertained.

To the east I could see restaurants that offer a diversity of wonderful food, especially pizza. (Pizza is important.) And I could see orange barrels and road construction, reminding us that, in America, we use our tax dollars to invest in infrastructure and to provide safe roads for our citizens.

To the west and the south I could see comfortable homes, as well as one of the best grocery stores in the United States, symbols of the high quality of life we enjoy here.

And of course, right here in the center of town where we placed the Blue Star Marker, we have our Civic Center, the hub of our own democracy, where town hall meetings are held, voices are heard and laws are passed for the good of our community. Everywhere we

look, there are ample reminders of the freedoms, privileges and benefits we enjoy as citizens of this great nation.

It occurred to me that ***we don't see*** many reminders of the men and women whose service lays the foundation for every benefit we enjoy. So it was fitting that we dedicated our Blue Star Marker to honor the men and women of the United States Armed Forces, men and women who, day after day, cold night after dark night, skirmish after battle, guard and protect our rights all over this earth.

And it was even ***more fitting*** that we placed our Blue Star Marker right here in the heart of Mayfield Village, the center of our democratic government, to remind us, as we look to the north and the south, and to the east and the west, that ***all*** of the wonderful things we see around us trace back to this center point and to this marker.

"Ask not what your country can do for you. Ask what you can do for your county." We all know this challenge, issued by President John F. Kennedy to all Americans on January 20, 1961. Those who serve in our military take on that challenge every day.

In honor of these courageous men and women, I was humbled to accept this Blue Star Marker on behalf of Mayfield Village and I thank the Garden Club of Ohio and our own MV Garden Club for their selfless work to honor the commitment and sacrifice of members our Armed Forces.

Pulse Points: An Update on Plans and Projects

• Library Traffic Signal

At long last, the traffic signal at Hickory Hill and S.O.M. is up and running. Safe travels to all the pedestrians and bicyclers who can now cross S.O.M. to visit the library, the Greenway and many more amenities.

• Recreation Additions

... and speaking of those amenities, beginning at the softball fields on S.O.M. and heading north, you will find an improved and expanded parking lot, bocce

courts, tennis courts, an expanded pool concession area and sand volleyball courts, all ready for your enjoyment. This year, the Grove was upgraded to provide more tiered seating, lighting and perimeter fencing for safety. Next year, we will be replacing the Parkview Playground with an inclusive ADA-friendly playground to provide recreational fun for everyone.

• Wilson Mills Road Construction

With any luck at all, by the time you read this, the construction work along Wilson Mills will be complete. The contractor is working hard to finish by our targeted deadline, but indicated that rain days may delay the road opening for a short period.

A survey of Village residents east of Hanover Woods (where the sidewalk now ends) indicates that the majority of those residents would like to the sidewalk extended east, so that they can access it to get to S.O.M. We are in the planning stages for that project, which will likely take place in 2020.

• The Master Plan

We've gone back to the drawing board on the new plan, and have been working hard to put together a valuable resource that looks to a successful future without compromising the character of Mayfield Village and the values we cherish. The plan will clearly embrace our goal to remain a village. More soon!

Can you hear me now?

You know my motto is that the door is always open in Mayfield Village, but what about getting through by phone? All departments are working on plans to improve our phone-answering and to assure that the phones are answered by a human being as much as possible. (Of course, you can always call MVPD in case of an emergency.)

Wishing you all a great summer. I hope to see you at a concert, a meeting, out playing tennis, or walking the Greenway Trail.

POLICE STATION OPEN HOUSE

On July 6th, residents attend an Open House at the Police Station to meet recently-appointed Police Chief Paul Matias and other members of the Police Department. Guided tours of the facility and demonstrations were provided and donations to the USO Overseas Care Package Program were collected. The day was a great success with more than 80 residents taking advantage of the opportunity to get to know Police Department procedures and personnel better.

McGruff the Crime Dog made a special appearance at the Open House and was happy to pose for a mug shot. Members of the Department, pictured at right, include Sgt. Jay Argie, Detective Mark Justice, Police Executive Assistant Maura McKinley and Sgt. Josh Manypenny.

Dispatchers Sharon Cinkan, Alisa Little, and Laurie Hughes enjoyed a visit with McGruff.

Motorcycle Officer Zach Reiland.

K-9 Officer Leo provided demonstrations during the Open House and members of the Community Emergency Response Team (CERT) were on hand to answer questions about their activities.

Lillian “Patsy” Mills / Council Ward 2

Summer is a busy Time in the Village.

Fireworks at The Grove were spectacular this year. Night concerts at The Grove and afternoon concerts at the Gazebo have been well attended. It's a nice experience, so bring your lunch or purchase supper at one of the food trucks that are there in the evening.

The Wilson Mills resurfacing is close to completion. The new sidewalk is there for the walkers in the area to enjoy.

The Blue Star Dedication Service on July 10 was well attended. Guest speakers included Mayor Bodnar, Officers from the Ohio Garden Club, Mayfield Village Garden Club Members, Veterans and residents. Art Goldstein, a Village res-

ident, was the trumpeter and Pastor Stephen Secaur from St. Bartholomew's Church gave the benediction.

The Monument is at the Civic Center on Wilson Mills near the new Flag Pole. Please stop and see it when you have a minute. Thank you to the Service Department for all their work to install the marker, especially Scott and Lenny. The Blue Star is in honor of all that served in the United States Armed Services. This project was coordinated by the Mayfield Village Garden Club and the Garden Club of Ohio.

The Mayfield Village Garden Club has changed the date of its annual Craft Show to Saturday, Nov 9, from 9 AM to 4 PM. For information, contact Helen

at 440-833-0275.

The Open House at the Police Station was very beneficial. Chief Matias and the Officers on duty gave a very comprehensive tour. And remember, If you have unwanted medications there is a drop-off box in the Main Lobby of the Police Station.

Have a wonderful summer.

April 18 Ward 4 Neighborhood Meeting

George Williams / Council Ward 4

An opportunity to participate in an open, positive discussion that ensures the common interests of you and your neighbors in Ward 4 are taken into consideration.

George Williams
Council Ward 4

Our newly appointed **Police Chief Paul Matias** shared his diverse experience, background and future expectations for serving Mayfield Village. As it relates to Ward 4, Chief Matias addressed safety and speeding on neighborhood streets. We learned that the best way is to understand the scope of the problem. To accomplish this, the Village has invested in a 'stealth traffic-speed box' that tracks the volume and speed of every car that passes by. Since the meeting, Chief Matias shared the following results with me:

Aintree: Beechers Brook & Derby – 1 week period:

Total Cars: 2709
 Number travelling above 35mph: 10 (less than 1%)
 Number travelling above 25mph: 388 (14%)
 Average Speed: 21.89 mph
 85th Percentile: 26mph (speed within 5mph of speed limit is considered acceptable)

Worton Park – 2 week period:

Total Cars: 6232
 Number travelling above 35mph: 618 (About 10%)
 Number travelling above 30mph: 1839 (About 30%)
 Number travelling above 25mph: 4104 (About 65%)
 Average Speed: 28.48 mph
 85th Percentile: 34mph (Speed within 5mph of speed limit is considered acceptable)
 (There were some speeds above 40mph, but it made up less than 1% of the total. There were 3 speeds in the 50's.)

Chief Matias reported that based on the data collected, he will begin conducting details throughout the day, particularly during the 8am and 7pm timeframes where the highest volume occurs. While the speeds are not too bad, we will be working to get some of those numbers reduced. The stealth traffic-speed box will be used randomly throughout Mayfield Village ongoing. While it won't take a photo or hand out a ticket, be aware our police force is watching.

Comments from the Mayor.

We were fortunate to have Mayor Brenda Bodnar attend the meeting to deliver a summary of her annual State of the Village message. You can find her detailed report on the Mayfield Village website or the Spring 2019 issue of this magazine. In particular, the Mayor let us know that the Master Plan is being tailored to address the additional input received from residents. An updated community presentation will be scheduled in the fall.

Other Points:

- **Deer Management** – the group agreed that the strategy to report deer issues is not working. Until a better idea comes around, we will have to get along with them since they are not going away anytime soon.
- **Home Owners Association** – the group concurred that the Ward 4 neighborhood meeting provides a good way to share ideas and discuss topics. We will continue these quarterly sessions, however, an idea was brought up to have a gathering within specific streets – will work to schedule those before the end of the summer. Another great idea: a community garage sale was scheduled for July 18th thru the 21st in the Worton Park area.
- **Suggestion from the group** – between pickup days, please consider placing your garbage and recycle bins in an area on your property that hides them from view as much as possible. Let's keep our residential areas neat, tidy, consistent and beautiful.

My thanks to all that attended the meeting and to those that let us know they could not attend. Enjoy your summer!

Solicitations at Private Residences

Anthony J. Coyne & Kathryn E. Weber / Law Dept.

Peddling, soliciting and canvassing are all protected forms of speech under the First Amendment of the U.S. Constitution. While Mayfield Village can reasonably regulate the activity, the Village is not permitted to completely prohibit peddling, soliciting, and canvassing. Mayfield Village does regulate this activity to the extent permissible under the Constitution in Chapter 739 of the Mayfield Village Codified Ordinances.

Soliciting and Peddling are more commonly known as door-to-door sales. Canvassing is engaging in door-to-door advocacy. Most often persons from a religious group or political campaign will engage in canvassing.

Any person who is seeking to make door-to-door sales in the Village must first seek a permit from the Mayfield Village Police Department. This permit must always be displayed in plain view while soliciting in the Village. The Police Department may reject any application for a permit if: (1) the applicant made a false, misleading or deceptive statement; (2) the applicant has been convicted of a felony or misdemeanor involving moral turpitude within the last five years; or (3) the applicant has had a previous permit revoked by the Village or a surrounding municipality.

Additionally, the Village has the following rules in place for peddling, solicitation and canvassing to further protect residents:

- All circulars, samples or other matter shall be handed to an occupant of the property or left in a secure place on the premises.
- No person subject to the provisions of this chapter shall peddle, solicit, or canvass except between the reasonable business hours of 10:00 am and 7:00 pm Monday through Saturday.
- No peddler, solicitor or canvasser shall enter or attempt to enter the house or

apartment of any resident in the Village without an expressed invitation from the occupant of the house or apartment.

- No person subject to the terms of this chapter shall make any false, fraudulent, misleading or deceptive statements during the course of that person's peddling, soliciting, or canvassing activity within the Village.
- No peddler or solicitor shall engage in or transact any type of business or solicitation other than that specified on the registration application.

In addition to these rules, no person is permitted to knock at the door or ring the bell of any home, apartment, apartment building or other dwelling unit in the Village upon which is displayed at the entrance a notice which reads "No Peddlers or Solicitors Allowed". The Village also maintains a list of residences that request not to be solicited, peddled or canvassed. This list is provided to every applicant for a permit. To be placed on this list, please contact the Police Department for an application.

Solicitations by minors for Girl Scout cookie drives and local school district fundraising are exempt from the regulations contained in Chapter 739. Additionally, the Village cannot require persons engaging in door-to-door advocacy for a religious organization or political group to obtain a permit.

Most often a person engaging in door-to-door sales or canvassing will abide by the rules and regulations that the Village has put in place. Sometimes, a person may not see that a "No Solicitation" sign has been posted before entering your property. Please be courteous and inform the person that they are not welcome on your property. In the event they fail to leave your property, please contact the Mayfield Village Police Department for further assistance.

Memorial Bench Program

At the request of several residents, Mayfield Village is pleased to offer a new program to honor the memory of a deceased loved one. Residents are now able to purchase a memorial plaque similar to the example shown here.

INSTALLED EXAMPLE

For \$500.00, a 3" x 8.5" brass memorial plaque will be fabricated with your personal message, installed on an available existing bench in Mayfield Village, and maintained there for ten years from the date of installation. At the end of the ten-year period, the purchaser will have the option to renew the memorial bench for an additional ten-year period at an additional cost. The purchaser may ask to have the plaque removed earlier than ten years, however, in such case, no refund will be provided.

This offer is limited to Mayfield Village residents or individuals wishing to honor a deceased Village resident.

For additional details on the Memorial Bench Application, visit www.mayfieldvillage.com/residents/memorial-bench-program and call 440-461-2210 to inquire about available bench locations.

Art in Nature Exhibition

The Friends of Euclid Creek, the Collinwood Rain Barrel Project and the City of Beachwood are celebrating the 50-year anniversary of the last time the Cuyahoga River burned. The **"Art in Nature" Exhibition** is free and open to the public and features painted rain barrels, photography, paintings and mixed media works by local artists. The show runs through Thursday, August 22, at the Beachwood Community Center Art Gallery which is open from 9-4:00 p.m. Monday through Friday, 10-3:00 p.m. Saturday, and 10-1:00 p.m. Sunday. The public can meet the artists at the **Artists' Reception** on Sunday, August 4 from 1:00-2:30 p.m. Light refreshments available.

New Recreational Facilities Now Open

Shane McAvinew / Director of Parks & Rec

Our recreational facilities are among the best in Northeast Ohio and they keep getting better! Mayfield Village's newest additions to the Parkview Recreation Area have been completed. These additions include three tennis courts (one of which can be converted into two pickleball courts), four bocce courts, two sand volleyball courts, asphalt trails that connect amenities to the Bruce G. Rinker Greenway Trail, and parking for 75 more vehicles near the community softball fields.

All of the new facilities, except for the volleyball courts, will be lit for night play, and open to the public daily from 6 am to 11 pm. Lessons and leagues will also be offered through the Recreation Department.

The tennis courts and bocce courts are located off of SOM Center Road and can be found at the rear of the new softball parking area with the sand volleyball courts located next to the soccer fields off of North Commons. All new recreational amenities along with Parkview Pool, the Softball Complex, The Grove Amphitheatre, and Parkview Playground are accessible from the Greenway Trail. New signage has also been installed to designate the location of available facilities.

I encourage you to take a walk down the Greenway Trail and discover something for everyone! From swimming with your family at Parkview Pool, playing a family game of bocce, or catching your favorite show at The Grove, you will quickly realize that the Parkview Recreation Area offers something for everyone. We encourage you to join us to play, grow, and recreate.

Please enjoy the rest of the summer and check out the remaining concerts at The Grove and the Gazebo.

For more information, contact the Mayfield Village Recreation Department at 440-461-5163.

Introducing...

Michael Libens / Asst Fire Chief/Fire Marshal

Hello residents of Mayfield Village! As the new Assistant Fire Chief/Fire Marshal of Mayfield Village, I would like to introduce myself. My name is Michael Libens and I have replaced Michael Girbino, who, after serving Mayfield Village for over 33 years, has retired. I have been providing EMS care since 1985 and firefighting since 1988. My most recent job, before coming to Mayfield Village, was with the Richmond Heights Fire Department, where I began my employment in 1991.

I am a graduate of Lakeland Community College with an Associate's Degree in Fire Science, Kent State University with a Bachelor's Degree in General

Studies and a Master's Degree in Public Administration. I am also a graduate of the National Fire Academy's Executive Fire Officer Program. I am a resident of Highland Heights, where I have resided since 2005 with my wife Winnie, and my two children, Mikaela and Riley.

I am very grateful to be given the opportunity to serve the residents of Mayfield Village. I look forward to helping the residents and those that work in this great community. If you have any questions or if there is anything I can do to help you with your safety concerns, please do not hesitate to contact me or stop in at the fire station.

Can I Seal an Old Conviction?—Ohio's New Law

Michael E. Cicero / Village Prosecutor

Last fall, the Ohio General Assembly passed Senate Bill 66, which broadened who is eligible to have a court seal their record. The law, effective Oct. 29, 2018, promotes holding offenders accountable and protecting the public, while also rehabilitating the offender's record, chiefly for employment purposes.

Eligible offenders now include any individuals convicted of no more than five fourth- and fifth-degree felonies if the offenses are non-violent and not felony sex offenses, and an unlimited number of misdemeanors (excluding traffic offenses, crimes of violence or high level misdemeanors involving a minor as a victim). After an offender applies to a court to have a record sealed, if the court determines the offender is eligible based on criteria in the statute, it reviews additional factors:

- whether criminal proceedings are pending against the applicant;
- whether the applicant has been rehabilitated to the satisfaction of the court; and
- any objections from the prosecutor.

The court also must weigh the applicant's interests in having the records sealed against the legitimate needs, if any, of the government to maintain those records. How quickly a person can ask to seal a record depends on whether the person has completed all aspects of the sentence, has an unpaid fine or restitution that is collectible, and has other convictions or related charges.

Once a record is sealed, a person truthfully can mark "no" on forms, such as job or housing applications, that ask about a criminal record. However, government agencies and certain employers can review sealed records, such as professions requiring a license or working with vulnerable populations, including educational, medical and nursing home fields. Furthermore, sealing a record does not eliminate it from appearing on the internet, whether it be from a news article or a website that gathers conviction records of individuals.

For each application to seal a conviction filed in a Mayfield Village case, I, as the Prosecutor, will cause the victim to be notified of the hearing date before the court. Under Ohio's Victim Right law, a victim has the right to address the court at a hearing for a sealing of a record to offer the victim's thoughts and feelings on the matter. In the last several months, I have spoken with over a dozen victims from cases that date back almost 20 years, as former defendants now want that conviction sealed. Be advised that should you receive a subpoena as a victim, please feel free to contact me to discuss the case by calling 440-461-1234.

Mayfield Wildcat Andy Isabella Makes the Jump to the NFL

What an amazing journey it's been for Andy Isabella—from blowing past the competition on the track and the gridiron at Mayfield Stadium to the National Football League in just 4 short years.

A 2015 graduate of Mayfield High School, Andy's high school athletic accomplishments are notable: several school records in track, state titles in the outdoor 100-meter dash, indoor 60-meter dash, and multiple runs deep into the state football playoffs as a running back. Despite his success, however, Andy didn't receive much attention from big-time college football recruiters. Ultimately, he only received 2 offers to play college football at the Division 1 level, and accepted an opportunity with the University of Massachusetts Minutemen.

Despite his gift of speed, Andy's size (5'-9" and 188 lbs) didn't immediately translate to the college game, and he didn't see much playing time as a freshman. Hard work and perseverance eventually paid off, however, as did a switch from running back to wide receiver, where he really flourished. Andy's productivity increased every year at UMass, and the competition—and indeed, the nation—soon took notice. As a senior this past fall, Andy led the entire nation with 1,698 yards receiving, and was 2nd with 102 catches. He also chipped in 13 touchdown catches, 1 touchdown run, and ended his college career with more receiving yards than anyone in UMass history.

After a record-setting senior year with his best performances against the biggest opponents, Andy was named as an All-American, and a finalist for the Biletnikoff Award, for the best receiver in the nation. He graduated early, and closed out his college career with an invitation to the Senior Bowl, where Andy again stood out against the best in the nation and earned MVP honors for the North squad.

After building such an impressive resume, Andy's hard work paid off, as he became just the 4th Mayfield Wildcat to move on to play professional football, and the first since 1980. As he had done for years, Andy silenced the skeptics during NFL evaluations this spring, and was picked #30 in the 2nd round of the NFL draft (#62 overall) by the Arizona Cardinals, where he will be paired with one of his boyhood idols, veteran wide receiver, Larry Fitzgerald.

Photo by Arizona Cardinals

Mayfield Village congratulates Andy on his success, and wishes him well in the next chapter! Be sure to tune in December 15th at 4:00 PM when his Arizona Cardinals host the hometown Cleveland Browns.

Welcome, Geraci's Restaurant

Legendary east side mainstay, Geraci's Restaurant, opened for business in early July, taking over the former Tommy V's space at 6687 Wilson Mills Rd. in the Musca Plaza. A family-owned and operated establishment, Geraci's opened its first location in University Heights in 1956, building a large and loyal following. 63 years later, they've broadened their footprint to include Pepper Pike, and now, Mayfield Village.

Co-owner, Marti Geraci-Spoto, explains, "Many long-time customers who grew up enjoying the original University Heights location have moved east, so this location gives us perfect coverage serving the whole east side." Her husband, Greg, agrees, "We have long-time customers who can make the drive to the original restaurant only once a month, but maybe they can come back once a week now that we're in their back yard." The couple also hopes to serve grown children whose parents used to rave about Geraci's renowned food.

When Marti first visited Tommy V's as a customer, she fell in love with the location as well as the size and feel of the space, which will allow Geraci's to offer more of a casual, quick-service facility than its other locations. The menu includes Geraci's famous pizza, salads, pasta, appetizers, slices and sandwiches. Geraci's prides itself on flavors and recipes that have been passed down through many generations. Be sure to visit one of the Cleveland area's longest standing "must have" restaurants, now that they've joined us here in the Village at 6687 Wilson Mills Rd. www.geracisrestaurant.com (440) 442-9600.

Small Business Buzz—Happy Healthy Dogs!

For most of us, adopting a dog is great way to add a fun, furry member to the family. For Mayfield Village resident, Doreen DiFiore, it led to a career change and lifelong commitment to the science of understanding canine nutrition. The founder and owner of Happy Healthy Dogs! at 818 SOM Center Rd., Doreen rescued a Corgi named Gio who had known nothing but the misery of living his entire life inside a puppy mill. It quickly became apparent that such stress had manifested itself in digestive problems, and Doreen made it her mission to learn as much as possible to help Gio heal from the inside out and live his best life.

Doreen DiFiore, owner of Happy Healthy Dogs!

Such dedication to research and data analysis led others to start asking her for advice about similar problems, which evolved into Doreen opening Happy Healthy Dogs! next door to Heinen's. The shop just celebrated its first year in business in June, and more than anything, Doreen prides herself on being an unparalleled trusted resource for dog parents. Doreen's commitment to gathering and analyzing as much new information as it becomes available means her customers can make the best decisions possible for their pooch. She also insists on carrying only food and treats from open, honest and transparent brands such as Primal Pet Foods, Stella & Chewy's, Honest Kitchen, Zignature and Steve's Real Food. If a manufacturer won't open its practices and recipes to Doreen, she won't stock it, and you can rest assured your furry friend is getting only the best possible ingredients.

Doreen's commitment to quality products, personal service and customer education means that Happy Healthy Dogs! stands head-and-shoulders above any big box store around. Her dedication is apparent after just a minute or two of conversation in the shop, and has earned her a spot in the prestigious Cleveland Magazine's Best of the East ratings in July. "I'm especially proud to be named in the Best of the East after only a year," Doreen explains, "because the only way to be included is to be nominated by the customers themselves. It means a lot that we've become such a trusted resource to them." Bring your pooch into 818 SOM Center Rd. to see why Happy Healthy Dogs! has grown from idea to the best in town in just one short year. www.happyhealthydogsmayfield.com (440) 565-7155.

Consumer Reports Rates Heinen's Among USA's Best Grocers

The secret is out... now the rest of the country knows what we already know here in Mayfield Village. This spring, Consumer Reports rated Heinen's as the third-best grocer in the United States, scoring 89 out of a possible 100 based on nation-wide polling of shoppers,

just 2 points behind the leader. Heinen's received the highest marks for customer service, store cleanliness, checkout speed, as well as quality of meat and produce. Heinen's was also rated highly for availability of locally-sourced goods and nutritious options. Congratulations to all on this well-deserved honor! Celebrating its 90th year in business, Heinen's operates 19 locations in northeast Ohio, including 860 SOM Center Rd. www.heinens.com (440) 449-4478

Accolades Keep Rolling in for Progressive

Mayor Bodnar issued a proclamation earlier this year recognizing Progressive CEO, Patricia Griffith, being named as Fortune Magazine's 2018 businessperson of the year, the first time a woman has earned the award. In addition to this prestigious award, Griffith was also named to Glassdoor's ranking of the country's 100 best CEO's based on employee reviews. Of roughly 2,400 reviews submitted by current and former employees of our hometown insurer, 93% gave her a positive approval rating. The most common positive reviews noted Progressive's people, great work environment and room to grow from within.

Progressive garnered the 1st place spot in The Plain Dealer's Top Workplaces poll for the second straight year. Overall, this is the tenth year that Progressive has been ranked among northeast Ohio's best places to work. Famous for its first-class campus environment and art collection, employees are also eager to point out the company's culture of promotion from within, personal growth and work-life balance.

Lastly, Progressive followed up last year's #78 ranking of Fortune Magazine's Best Places to Work list with this year's #76 ranking. Like Glassdoor's award, this ranking also comes from employees' opinions, where 91% rated Progressive as a great place to work, and 93% said they were proud to tell others they work for the company. Mayfield Village is proud to be the home of such a distinguished company. Congratulations, and keep up the great work!

Be Vigilant Against Scammers

Police Chief Paul Matias

Scammers use the internet, telephone, and U.S. Mail to trick millions of people every year into sending money or giving out personal information. Scammers can be polite and charming or threatening and aggressive. They may say they work for a company that you recognize, your own bank, or even a member of your family. They may know your name or certain things about you and make you feel special. They promise things like lottery winnings, prizes, friendship, or romance. But they don't keep these promises.

Here are some common scams that we have seen in the area.

- **Friend in Need Scams:** If contacted by a friend or family member, usually by e-mail or social media, asking you to send money immediately, beware that it may be an imposter or hacker. Before sending money, contact your friend or family member directly, using a different method of communication, and ask a question only your friend or family member would know how to answer. This is commonly referred to as a grandparent scam or son/daughter scam. In many cases the form of payment is in gift cards or wire transfers.
- **Fake Check Scams:** Someone sends you a check or money order, which you are asked to deposit in your account and wire-transfer the sender a portion of the money, minus a nice bonus for you as a "thank you" for helping out. Regardless of the pitch, the result is the same: The check or money order you receive is counterfeit. It will be returned to your bank unpaid, and the

full amount will be deducted from your account. Never wire-transfer money to a stranger.

- **Phishing:** Some scammers pretend to be your bank or a government agency to "phish" for your personal information. They ask you to update or confirm your account by submitting your bank account number, password, or Social Security number. Never respond to unexpected requests for your personal information. Your bank or the Internal Revenue Service will never request your personal information over the phone or by e-mail.

Scammers are successful because they prey on a person's emotions. Some use fear or intimidation while others use some form of financial incentive. The goal of the scammer is to gain some level of trust so they can separate you from your money. Unfortunately, most scams are difficult or impossible to trace so the best defense is prevention. Here are some easy rules to follow to avoid scams.

RULE #1: Never give personal information over the phone or the internet.

Only enter banking or other sensitive personal information on secure websites that you trust. The web address should start with https:// and the web browser should display a closed padlock, which means the connection to the server is encrypted. This will protect your information so no one else can see it or use it.

RULE #2: Never pay for anything when someone ask you to pay with gift cards or wire transfers.

Paul Matias
Police Chief

Scammers (cont.)

Gift cards and wire transfers such as Western Union are the most common methods scammers use to illicit payments from victims.

RULE 3#: Never send money to receive money.

Scammers will send a check for you to deposit, then ask you to withdraw some money to send to them. Scammers will also promise a big payout if you just pay a small fee first. In each case the check is fake or there is no big payout. The victim just ends up giving their money away.

Scammers can be very tricky so it can sometimes be difficult to know if something is a scam. If you have any suspicions or doubt call a close friend, a family member, or call the Police. The Mayfield Village Police Department will help you determine if you're the possible target of a scam so do not hesitate to call!

Have a safe and fun summer and join us this fall for a series of Police Department seminars regarding a variety of topics that I believe are relevant to our community. See below for details on the first two seminars.

Mayfield Women's Club Hosts Flag Day Ceremony at First Responders Memorial

Boy Scout Troop 289 performed the Flag Day Ceremony on June 14, retiring approximately 1400 flags. This was the first year the ceremony was held at the new First Responders Memorial, located next to the Fire Station.

The Mayfield Women's Club would like to thank everyone for their donations of distressed Flags. This year's Flag Day Ceremony was performed again by Scout Troop 289. The number of flags retired was about 1400. Please continue to bring old, worn and tattered United States flags to the Civic Center for proper disposal. The drop box is located in the rear of the parking lot near Heinen's.

Mayfield Township Historical Society

Joan Gottschling, President

Since we are celebrating Mayfield Township's 200th anniversary from 1819-2019 and Mayfield Village is part of the original Mayfield Township, we are asking all residents to participate in our Time Capsule by writing a question to someone who will try to answer it when it is opened 50 yrs from now in 2069.

Put your name, age, and Mayfield Village on a postcard and send it or deliver it to 606 SOM Center Rd. Mayfield, OH 44143 or bring it to a meeting. We can also accept a small artifact, news article, toy etc. from 2019 that might be of interest or obsolete in 50 yrs. (Example: someone contributed a flip phone.) Help us by volunteering in our research library or with our artifacts, data entry, becoming a docent or quilting.

All meetings are held at the Mayfield Village Community Room, 6621 Wilson Mills (unless otherwise noted) with refreshments served. Meetings are free. Bring a friend.

- Sept 11, 6:30-8:30 p.m. **Annual Ice Cream Social** at 606 SOM Center Road. \$3 donation for Bennett-Van Curen house tour with homemade cookies/ice cream served.

Staying Healthy & Strong While Aging

Wendy Albin Sattin / Executive Director

How do you keep your body healthy, strong and functioning? Exercise is important for so many reasons. The Mayo clinic lists many benefits including weight control, managing health conditions like high blood pressure and depression, and promoting a better night's sleep. CPA offers many ways to get moving- here is our latest: When was the last time you were on a bicycle? There is a whole range of bicycles designed for the older rider—recumbent, electric, and pass-through to name a few. Wouldn't you like to try them out? Well, come to the Parkview Recreation Area on August 22 at 10 AM to ride a few. Bike Cleveland is bringing a van full of bikes for you to ride. Along the theme of biking, we are also planning a group ride on September 12 leaving from the recreation area. Everyone is welcome—all ages, all abilities. Sign up will begin at the Bike Expo on August 22. Both events are free and fun!

Do you monitor what you eat? Count calories? Watch carbs? We know that eating many different foods helps maintain a healthy diet which provides a range of different nutrients to our body. Often when discussing diet and eating, the question of supplements comes up. What is the role of dietary supplements? What supplements should we be taking now? What supplements are simply media hype? Please join us at our annual Summer Symposium on August 28 when Dr. Michael Roizen of the Cleveland Clinic presents a clear eyed view about the nine supplements we all need to function optimally and lower our "Real Age". *The Symposium takes place at the Lyndhurst Community Center, 1341 Parkview Drive. Doors open at 5 pm, heavy appetizers and dessert will be served and tickets are only \$15 per person. Please call the CPA office for more information or to purchase tickets, 216-291-3902.*

JOIN COMMUNITY PARTNERSHIP ON AGING FOR

"THE FAB 9 SUPPLEMENTS TO AGE-PROOF YOURSELF"

August 28, 2019 • \$15 per person (NOTE DATE CHANGE!)

Dr. Michael Roizen is the Cleveland Clinic's Chief Wellness Officer and the creator of the "Real Age" concept to motivate behavior. Through his studies he found that 99% of Americans are deficient in essential nutrients your body needs to function optimally. By taking the right supplements, you can lower your "Real Age" and feel and look younger for years to come.

The 2019 program in the Community Partnership on Aging ReFIREment Series will feature Dr. Michael Roizen of the Cleveland Clinic. Dr. Roizen is certified in Internal Medicine and Anesthesiology, and has authored four New York Times best sellers and 9 overall best sellers. Along with Dr. Oz, he coauthors a daily column that is syndicated to over 100 newspapers. He is a recipient of an Emmy, an Elle and the Paul Rogers Best Medical Communicator Award from the National Library of Medicine.

Senior News and Programming

Donna J. Heath / Senior Program Coordinator (440-919-2332)

We hope you were able to attend the Senior Night at the Grove, and the Senior Picnic in July. The next senior event is on Thursday, September 26—the **Senior Fair**. The fair is for you and your families and your children and grandchildren. Come out to see what Mayfield Village has to offer its residents and enjoy hors d'oeuvres and beverages while you meet department representatives. There will also be representatives from the Community Partnership on Aging and Hillcrest Hospital.

We will have an exciting new event in October—a **Homecoming Dance** for all seniors (open to seniors ages 60+ living in any community.) So come out and bring your friends! The dance will be held on Friday, October 18 from 1:30-3:30 p.m. at the Community Room. Light refreshments will be served—and there will be music—of course. Dress is casual to formal—whatever makes you comfortable. Make your reservation now. Bring a copy of a photo of you at a teen dance for our photo board. Please register by October 3.

A **“Welcome to Medicare”** Program will be held at the Community Room: Wednesday, August 28 from 2-3 p.m. Please register by August 20. If you are new to Medicare or a soon-to-be beneficiary, you will want to attend this program. Learn about Medicare benefits, supplemental insurance policies, Medicare Advantage plans and prescription drug coverage. OSHIP is a free service through the Ohio Dept. of Insurance and provides unbiased answers and insurance counseling on issues important to people of any age on Medicare.

A **Lunch n’ Learn** program: **“Arthritis Q & A”** is scheduled for Friday, September 6 at noon at the Civic Center facilitated/ sponsored by Mayfield Village NovaCare Rehabilitation. Learn the differences between osteoarthritis and rheumatoid arthritis, meet a local physical therapist, and see if your walker or cane is properly adjusted. Please register by August 28.

An **AARP Safe Driving Program** will be held Wednesday, September 25 from 11:30 a.m.-4:00 p.m. at the Civic Center. Bring a lunch. Water and coffee will be provided. The program is to refresh you on the “rules of the

road.” The cost is \$15/AARP members and \$20/all others. Please register by September 23.

By now, maybe you have had an opportunity to attend one of the **summer concerts at the Gazebo**—the Wednesday afternoon Lunch Series Concerts or the Thursday Night After-Work Series. You still have time to catch the following lunch concerts (12-2 p.m.): August 7: Classics (50s and 60s); August 21: Frank & Dean Show (The Rat Pack Duo.) Also, the Thursday night After-Work Series (6:30-8:30 p.m.): August 15: Forecast (A night of Jazz Fusion); August 29: Sunset Strip: The Best of the 80s and More; and September 12: Twist (A Motown Show & More.) Remember to bring a lawn chair. You may also bring a lunch if you wish. Concert sponsors generally provide light snacks and water.

Thank you to volunteers of Progressive Corporation for providing a **Spring Yard Clean-Up** for several residents. This is the time to enter the **Leaf-Raking** drawing. Call now to be placed on the list. We will do the drawing mid-September, and several residents will have their leaves raked by volunteers.

place and Flea Market, and—the highlight of our trip—Chocolate Creations. We heard an interesting presentation on the history of chocolate, sampled delectable chocolate—and received the chocolate bar which we designed along with a bag of chocolate! Then in June, we went to Progressive Insurance where we took a guided tour to see the artwork at the main campus. The art is “to promote conversation and for education.” It was a very interesting tour.

The seniors in front of one of the art exhibits at Progressive Insurance during our guided tour in June.

Seniors aboard the carousel at the Merry-go-Round Museum.

Later that month, we went to Wooster to see the magnificent performance of “South Pacific.” By the time you receive this publication, we will have also traveled to the Merry-go-Round and Milan Museums in Sandusky and to Kingwood Gardens in Mansfield. Call to get on the waiting lists for the August trip aboard the Goodtime III and the September trip to Chautauqua.

There is still time to get in on the last two trips of 2019: Tour and lunch at an Amish house (October 2, \$58.) Tour of the Christmas Story House (made famous by the movie), Don’s Lighthouse for lunch on our own, and to Stan Hywet to tour that magnificent mansion which will be decorated for the holidays. (Dec 4. \$55).

Current classes include: **Watercolor Painting, Spanish, One Stroke & Acrylic Painting, and Balance & Chair Yoga**. We also offer free **Brainersize Classes** facilitated by Governor’s Village. Information about all classes is included in the Parks & Recreation Brochure and the Senior Services’ newsletter. Contact us for details as to the cost, dates, and times of these classes. Most flyers are available on the Village website, or you we will be happy to send one to you.

Lunch & Movie at Governor’s Village. Contact us for menus and movie titles for Lunch & Movie programs at Governor’s Village at 12 noon on the following dates: August 21, Sept 18, and October 16.

Foot clinics with Dr. Kelly Whaley will be held between 1 and 3 p.m. at the Civic Center on the following Fridays: August 23, September 13, September 27, and October 18. Call the Senior Services Office to make an appointment for diabetic and routine foot care such as toenail cutting, treatment of corns and calluses, and removing ingrown toenails. \$25 cash or check payable to Dr. Kelly Whaley. Contact us for details.

Bocce and Pickleball. If you are interested in playing Bocce on Wednesday mornings from 10-11:30 a.m., or Pickleball on Friday mornings from 9-11 a.m., contact us.

Mark your calendars now for the **Annual Holiday Party:** Friday, Dec 13, 12 – 3 p.m. You are invited to bring a guest who does not have to live in the Village.

NEW LOCAL LAWS ENACTED REGARDING THE USE OF SEAT BELTS AND CELL PHONES

On April 15, 2019, Mayfield Village passed Ordinance No. 2019-06 to require that all passengers in a vehicle use their seatbelts. Failure to do so is now a primary traffic offense.

Ordinance No. 2019-07 was also passed, making the use of cell phones for text messaging or other forms of communication a primary traffic offense. Hands-Free devices ONLY are permitted.

Signs have been posted to alert residents and commuters. The full text of these ordinances is available at www.mayfieldvillage.com/government.
