I, the undersigned homeowner understand and agree that this Knox Box key security box is being provided by Mayfield Village for the sole purpose of providing access to my home, listed above in emergency situations that necessitate the response of the Fire or Police Department.

I further understand and agree that the municipality retains sole ownership of the Knox Box and that I will notify the Mayfield Village Fire Department upon sale of my home to any other individual so that it may be removed, or in the event that I no longer wish to participate in this program.

In consideration of being supplied with this Knox Box for my home, I release Mayfield Village, its employees and officers from any incidental damage caused to my home as a result of the installation or removal of the security box.
