

2023 ROAD PROGRAM– Road Resurfacing on Seneca, Metro Park, Zorn, Highland and White Roads

Roadway Shoulder Reconditioning on Bonnieview, Glenview & Beech Hill Roads

PROJECT UPDATE - June 20, 2023

Dear Residents of Bonnieview, Glenview & Beech Hill Roads,

Ronyak Paving was the successful bidder for the 2023 Road Program, which consists of pavement repairs and resurfacing on White Road, Highland Road, Seneca Road, Metro Park Drive and Zorn Lane.

The resurfacing of Bonnieview, Glenview & Beech Hill Roads is not part of this year's Road Program, however, because many of the roadway shoulders on these streets are in need of repair, the Village has included this work as part of its contract with Ronyak.

On or about July 5th, Ronyak will begin the process of roadway shoulder reconditioning on Bonnieview, Glenview and Beech Hill, which includes adding stone to fill any holes or gaps. In order to make the streets look as uniform as possible, all shoulders will be done. **If you do not want the roadway shoulder in front of your home to be reconditioned, you must advise the Village by calling 440-461-2210 or sending an email to contactus@mayfieldvillage.com prior to June 30, 2023.**

The work is expected to take only one day. Traffic will be maintained at all times, but please expect delays. Thank you for your patience.

Mayfield Village Civic Center
6622 Wilson Mills Road
Mayfield Village, OH 44143
