Notes:

Quantity	Items	Weight	Price	Amount
1	10-99116 Force z23sl EFI - Laser Ready (Kohler ECH740) Force By ABI model z23sl "Laser Ready" is among a new class of patented zero-turn work vehicles. This industry-first commercial-grade zero-turn vehicle, when optionally equipped, is built for world-class ballfield maintenance and renovation, turf care and installation, and precision laser grading work. The drivetrain features a powerful and fuel-efficient commercial-grade 23 hp (747cc) Kohler Command PRO EFI engine (eliminates carburetor), 2-stage cyclonic canister air filter (protects engine), and a commercial hydrostatic drive system that directly couples the drive pumps to the engine (eliminates belts). This machine additionally enables fingertip hydraulic command of the patented spring mid-mount pitch-&-lift system and rear-mount swivel-lift system. Both mid and rear systems are ready to be configured with a range of optional ABI designed attachments to meet specific requirements (multifunction rake included). The advanced hydraulics system additionally enables complete automated control of mid-mount attachments for zero-turn laser grading and grooming. Just add optional laser electronics and mounts! Ensure consistent world-class results with the z23sl speed-lock and depth-lock features. The z23sl is built upon a rugged tubular steel frame with removable, easy access service panels, large rear air tires, and 13" front air-filled casters. Commercial 24-Month Limited Chassis Warranty and 36-Month Unlimited Hour Engine Warranty (Customer assembly & uncrating required - Required attachments sold separately - EPA & CARB Compliant) Laser System Note: Electronic machine control, laser receiver, mounts, laser transmitter, and tripod sold separately. (Laser system additionally requires items: 10-90403, 10-10424, & 10-10422 plus ground-engaging attachments.)	1,500	\$31,999.00	\$31,999.00
1	10-99166 VibraFlex 5' Infield Drag (Model 5800) ABI's Vibraflex Infield Drag, model 5800, is an innovative attachment that prepares competition and professional level baseball and softball infields with four rows of evenly staggered U-pins that shatter surface tension to prepare any engineered soil and surface conditioner. Unlike conventional nail boards, VibraFlex pins are easy to replace, and ABI's technology positively controls ground-engagement depth regardless of material moisture or compaction. Change out pins based upon application and desired results. 60" wide 1/2" spacing Includes " and 1/4" pins 1/4" pins are preinstalled. MODEL 5800	48	\$899.00	\$899.00
1	10-90410 1/2 Ton Roller (Requires 10-90449 200lb Weight Kit) The 1/2 Ton underbelly mid-mount roller has a 58" working width & an 8" diameter. Used for compacting turf and soil. Requires 10-90449 200lb Weight Kit for model z23 to reach ~1/2 ton of pressure. No weight kit is available for the z18 model, compaction will be limited.	187	\$1,899.00	\$1,899.00
1	10-99140 7' Pro Finisher (For z23s) The Pro Finisher Drag provides a beautiful seamless finish on "Pro" infield conditioners. This steel lattice evenly floats over the infield surface material to level and redistribute conditioner. Flared sides seamlessly feather edges, leaving no trails even on sharp turns. This finish is as good as it gets in the sports turf market. Mounts to the ABI Force z23s hydraulic articulating system. It also includes an adjustment linkage to set desired results. (Customer Assembly Required)	68	\$1,999.00	\$1,999.00
1	10-99142 6' Rear VibraFlex 3500R (For z23s) The rear Vibraflex 3500-R is a game-changing attachment that has a range of applications in fine finish grading. First, it creates an ideal finish, including removing tire tracks, on high clay or high moisture baseball and softball infields. It can also be used after a significant rain event to open up and air out an infield to dry faster. Additionally, it will work grass seed deeper into bare soil after broadcast spreading. Fully articulates behind the ABI Force. Included are a set of 1/4" or 1/8" pins.	50	\$549.00	\$549.00
1	10-90449 200lb Saddle-Mount Weight Kit - (Qty 4 50lb) ABI Force z23 200lb Saddle-Mount Weight Kit - (Qty 4 50lb) ABI Force z23	250	\$999.00	\$999.00
