

MEMORANDUM

TO: Council President Schutt and Members of Council
FROM: Shane McAviney, Director of Parks and Recreation
DATE: Wednesday, November 29, 2023
RE: Ohio Geese Control – Parkview Recreational Area

Over the past several years, Mayfield Village has used Ohio Geese Control to help manage geese issues in the Parkview Recreational Area. The areas included will be the Soccer and Softball Fields, The Grove, and the Tennis and Bocce Court areas. We have seen a significant decrease in number of geese in the area and the issues they bring. This method is also 100% humane, as the dogs chase the geese out of the area.

I recommend signing a full year contract for 2024 (Option 3). The agreement will cover all the season's and, to make sure, there's no lapse from the previous years' work. The **\$12,988.21 total for 2024 is an increase of \$618.16 from 2023.**
