RE: Part time Fire Fighter wage increase

Mayfield Village Council,

I have requested our part time firefighter wages to be updated to be competitive with other starting part time firefighter and paramedic pay rates, as well as consistent with our current first class pay rates. This change only removes the lower classes of Part time Fire fighter and recognizes the current pay rate of our existing part time firefighters.

Any new hires would still be trained and tested to performance standards as they were in the past however, they will be paid consistent with the going rate for their expertise, which will hopefully help us procure more part time staffing in this competitive market.

If you have any questions, please feel free to contact me at your earliest convenience.

Yours Truly,

Chief Carcioppolo
