MEMORANDUM

TO: Council President Schutt and Members of Council
FROM: Diane Wolgamuth, Director of Administration
DATE: May 16, 2024
RE: **Cuyahoga County 9-1-1 Program**

Dear Council President Schutt and Members of Council,

Chief Matias and Law Director Calta have reviewed the updated County 9-1-1 Plan. They advise that the proposed revisions are primarily procedural and revolve around changes to the composition of the countywide 9-1-1 Program Review Committee. The County 9-1-1 Plan continues to encourage consolidation of dispatch centers, but acknowledges that consolidation is a local decision made by each municipality.

Chief Matias and Ms. Calta will be available to answer any questions on Monday evening and the two resolutions requested by the Cuyahoga County Director of Public Safety will be on Council's agenda for approval.

cc: Mayor Brenda T. Bodnar
Department Heads
