
PARKS DEPARTMENT MEMORANDUM

TO: Mayor Bodnar, Council President, Members of Council, and Department Heads

FROM: Shane McAviney, Director of Parks and Recreation

CC: Department Heads

Date: 04/04/24

Subject: Ameriscape Land Design Inc – 2023-2204 Senior Snow Plow Program

During the 2022-23 Senior season, there was a increase in late enrollments in the Snow Plow Program. A significant portion of these new enrollees happened to reside along the route managed by Ameriscape Land Design Inc. Consequently, the increased number of driveways requiring snow removal services led to an unexpected increase over the initially approved expenditure, resulting in an overrun of \$760 beyond the allocated budget.

A Request for:

A motion to approve an additional expenditure in an amount not to exceed \$1,000 Ameriscape Land Design Inc for added driveways for the 2023-24 Senior Snow Plow Program.
