SUBJ: Agile Agreement

Agile Network is the company that provides our connectivity and backup connectivity for our Dispatch Radio System. For the past several years we have had a month-to-month agreement with Agile that had no change in price. For 2025, I would like to enter into a five-year agreement that would lock in the current rate for the next five years at \$1,240 per month (\$620 for primary and \$620 for secondary connectivity).

I request Council approve the agreement with Agile Networks for \$6,200 per year for the next five years.

Respectfully,

Chief Paul Matias
