FROM: Chief Paul Matias

DATE: September 5, 2025

SUBJ: New vehicle purchase

I am requesting approval for the purchase of a 2026 Dodge Durango with emergency lighting upfit from Greve Chrysler (Statewide Auto). The price is \$54,428.00 which includes the vehicle State bid price and all upfit and accessories.

This vehicle will replace Unmarked Unit 4650, which is currently assigned to the Detective Bureau. The current 4650 will be marked and assigned to the Patrol Division. The new 4650 will be purchased as an unmarked unit without the Patrol Package (cage, prisoner seat, MDT stand). This reduces the cost by approximately \$10,000 as compared to a new Patrol Unit.

Since the new 4650 will be permanently assigned to the Detective Bureau, we expect at least 6-8 years of service from this vehicle.

Respectfully,

Chief Paul Matias
