MEMORANDUM

TO: Council President Schutt and Members of Council
FROM: Diane Wolgamuth, Director of Administration
DATE: December 13, 2024
RE: **2025 Committee/Commission/Board Appointments**

In early November, re-appointment letters were sent from Mayor Bodnar to all Committee, Commission and Board members whose terms expire on December 31, 2024. Following is a summary of expirations and changes in membership:

- **Architectural Review Board** – Carmen Miozzi and Robert LaRiche have both agreed to return for another three-year term.
- **Board of Zoning Appeals** – After many years on BZA, Joseph Prcela has decided not to serve another term as he is currently working out of the State and cannot regularly attend meetings. Mayor Bodnar has appointed alternate Bob Haycox to serve as a permanent member of the BZA and will seek a replacement alternate, if needed.
- **Citizens Advisory Committee** – It appears that all current members are planning to return for another year. Membership is currently at 14, with a maximum of 15 members permitted by ordinance.
- **Civil Service Commission** – The term of Mike Bucci is expiring and he has agreed to serve another six-year term.
- **Planning & Zoning Commission** – The term of Dr. Sue McGrath is expiring and she has agreed to serve an additional five-year term.

All returning members will be invited to attend the January Organizational Meeting to take the oath of office and a motion to approve all appointments will be placed on Council's agenda. Thank you and please let me know if you have any questions.
