SUBJ: TCP Contract

Timeclock Plus LLC (formerly Aladtec) has been our scheduling software provider since 2019. In the past, we had an annual renewal with a small increase. This year Timeclock Plus is offering a two-year agreement that will lock in our current price for 2025 and 2026.

I request Council approve the agreement with Timeclock Plus LLC for \$3,679.51 per year for 2025 and 2026.

Respectfully,

Chief Paul Matias
