WINTER 2025

Ward 4 Council Member George Williams Bids Farewell after 9 Years of Service

From left, Council Members Allen Meyers, Mark Arndt, Jennifer Jurcisek, Bill Marquardt, George Williams, Mayor Brenda Bodnar, Council President Stephen Schutt, and Denny Murphy.

After serving as the Ward 4 Council Representative since his appointment in 2015, George Williams attended his final Council meeting on December 16, 2024. George and his wife, Loretta, have decided to move out of the Village and closer to family in North Carolina. After receiving his resignation, Council interviewed eligible candidates to fill the vacancy and selected long-time Ward 4 resident, Peter Gall, pictured at right with George Williams. A Good One Gets Away

Memo from the Mayor / Brenda T. Bodnar

On December 16, 2024, Councilman George Williams attended his final meeting as the Ward 4 Council representative. He was honored with a Resolution of Council, a Mayor's Outstanding Citizen Award, and many thanks and good wishes from residents and staff.

George and his wife Loretta have lived in Mayfield Village's Worton Park neighborhood for over 20 years and, in 2014, they became members of the Citizens Advisory Committee. In 2015, George was selected from a pool of candidates by the members of Council to complete the term of the outgoing Ward 4 Council representative. In 2017, and again in 2021, George Williams was re-elected by Ward 4 residents.

George Williams was congratulated by Council President Stephen Schutt following the reading of a Resolution of Appreciation into the Council record.

Throughout his tenure, George has been a dedicated representative of Ward 4, serving as the *de facto* head of the Worton Park Homeowners Association, holding regular community meetings to determine the needs of his neighborhood, communicating to the neighborhood through updates in the *Voice of the Village*, and advocating for solutions to address traffic concerns, the increasing deer population and neighborhood flooding. George also took an interest in understanding how the Village's safety forces functioned, regularly scheduling time to meet with the Chiefs and go out on calls with Police and Fire employees.

George continued to be active on the Citizens Advisory Committee, acting as the Council Representative assigned to the Committee and serving on a variety of other Council committees.

Throughout his tenure, George has been a dedicated representative of Ward 4, serving as the *de facto* head of the Worton Park Homeowners Association, holding regular community meetings to determine the needs of his neighborhood, communicating to the neighborhood through updates in the *Voice of the Village*, and advocating for solutions to address traffic concerns, the increasing deer population and neighborhood flooding. George also took an interest in understanding how the Village's safety forces functioned, regularly scheduling time to meet with the Chiefs and go out on calls with Police and Fire employees.

Most recently, George advocated strongly for the Values-in-Action Kindland Initiative, receiving support from his fellow Council members in 2023 for Mayfield Village to become a member, and working with the members of the Citizens Advisory Committee on ideas to advance its goals.

Sadly for us, George and Loretta Williams determined that it was time to leave Mayfield Village to live nearer to family in North Carolina. They have been active and caring members of our community and they will be missed by all.

George reacts to a gift left for him by his colleagues at his final Council meeting.

Following the process outlined in the Village Charter, Council interviewed interested and eligible candidates and appointed Ward 4 resident Peter Gall to fill the vacancy which runs through December 31, 2025. I was pleased to administer the oath of office to Councilman Gall on January 6th.

Mayor Brenda T. Bodnar

Memo from the Mayor, continued.

Mayor Bodnar administered the oath of office to Councilman Peter Gall on January 6, 2025.

Mr. Gall and his family have lived on Joyce Road in the Worton Park neighborhood for 29 years. He has served for the last several years on the Mayfield Village Citizens Advisory Committee and previously served on the Beautification Committee. Mr. Gall is a chemist, working as a Technical Services Specialist for Mexichem Specialty Resins, Inc., headquartered in Avon Lake. Mr. Gall volunteers as a Science Coach, working with students from Avon Lake High School, has been an Assistant Scout Leader for Boy Scout Troop 433 for 10 years, is a member of The Knights of Columbus, and serves on several other civic organizations.

Newly-appointed Ward 4 Council Member Peter Gall

After interviewing all five candidates that applied to fill the vacancy, Council members expressed that all the candidates did an excellent job but that Mr. Gall’s interview and qualifications “rose to the top.” Mr. Gall expressed his desire to be the council representative for Ward 4, stating “I want to help ensure that Mayfield Village continues to be a wonderful place to live, work and raise a family. As a council representative, I would share my opinions, cooperate with others, and work hard to carry out the designs of the mayor and council. My goal when I get involved in different organizations is to make a difference and help others.” I know we all welcome Mr. Gall to the ranks of Council and look forward to working with him and getting to know him in the coming year.

Brenda T. Bodnar

Attending the Bright Star awards ceremony with Economic Development Manager John Marquart, were (pictured from left) Law Director Diane Calta, Finance Director Angie Rich and Director of Administration Diane Wolgamuth.

In October, 2024, Mayfield Village’s Economic Development Manager, John Marquart, was honored by the Northern Ohio Area Chamber of Commerce (NOACC) at its annual “Bright Star” awards dinner. This year’s awards ceremony was held at the MAPS Air Museum in North Canton. Awards are given to Chamber volunteers who go above and beyond their duties on behalf of their local Chamber. John Marquart has served on the Mayfield Area Chamber of Commerce for the past five years, most recently serving on the Executive Board as its Secretary.

Stephen Schutt / Council President & At-Large

Happy New Year Mayfield Village! I hope you all had a happy holiday and new year and were able to spend time with your families and friends! Where does the time go?? It's hard to believe it's already 2025! I recall the Y2K hype like it was yesterday and it sure doesn't seem like it was 25 years ago! It's also hard to believe this is my eighth year on council. I would like to thank my fellow council members for their support and confidence by nominating and selecting me to be your Council President for the 6th consecutive year.

A warm welcome to our new Ward 4 council member Peter Gall! I wish George Wil-

liams and his wife Loretta nothing but the best in Charlotte, NC! Thank you, George for your friendship and dedication to Mayfield Village. You will be missed!

Stay warm and remember it's very cold out there for our furry friends too! Here's to a great 2025 and I look forward to seeing you all soon!

Stephen Schutt
Council President & At-Large

State Senator Jerry Cirino Visits Civic Center

State Senator Jerry Cirino serves the people of the 18th District, which includes portions of Lake County and Cuyahoga County, and Mayfield Village. He is also the Chair of the State Finance Committee. Senator Cirino recently contacted Mayor Bodnar and scheduled a meeting to discuss potential strategies to fund Village initiatives.

Mayor Bodnar, Economic Development Manager John Marquart, and Director of Administration Diane Wolgamuth met with Senator Cirino and provided him with an overview of current Village business activity and future plans for capital projects, including a road improvements on Beta Drive. Beta Drive has not been substantially improved since it was constructed in the 1970s and, as the Village's primary business district, the Administration believes it is important to keep the roadway, curbs and sidewalks in good repair to serve the many thriving businesses located there and create an environment that will attract new ones.

Mayfield Village recently applied for State Issue 1 funding but that application was denied. The Village is now actively seeking other funding options. Senator Cirino offered to assist in that process in any way possible.

Mayor Bodnar with State Senator Cirino and Economic Development Manager John Marquart, met to discuss economic development and capital projects in the Village.

2025 Criminal Law Update

Michael E. Cicero, Village Prosecutor

On January 8, 2025, Governor Dewine signed numerous bills into law. The following will highlight a few of the bills that relate to criminal and traffic laws. These provisions go into effect in early April 2025.

House Bill 29 – Driver’s License Suspension Laws

- Removes the possible penalty of a driver’s license suspension for a drug abuse offense unless the offender used a vehicle to further the commission of the offense or the offense occurs under the same circumstances as an OVI-offense.
- Eliminates the driver’s license suspension for failure to pay a court fine or fee.
- Specifies that a person can enter into a payment plan with the clerk of court in order to avoid an arrest warrant for failure to appear or failure to pay a fine.
- Requires courts to lift any driver’s license suspensions previously imposed for failure to pay a court fine or fee.
- Reduces the lookback period for increased penalties for operating a motor vehicle without proof of financial responsibility from five years to one year.
- Reduces the amount of time to file proof of financial responsibility down to one year (a.k.a., an SR-22 form).

House Bill 37 – Aggravated Vehicular Homicide and OVI Laws

- Establishes a new, tiered-system for Aggravated Vehicular Homicide penalties. The lowest tier starts with a minimum mandatory 2 years in jail, up to 8 years, while the highest tier starts with a minimum mandatory 12 years in jail, up to 20 years.

- Increases the possible financial penalties for aggravated vehicular homicide committed as the proximate result of an OVI offense by raising the maximum fine to \$25,000.
- For OVI law, the bill authorizes law enforcement to collect an oral fluid sample from a person arrested for OVI to test for alcohol or drugs of abuse. This is a new form of test, in addition to blood, breath or urine.
- Increases the minimum criminal fines for OVI by an additional \$190, while lowering the related driver’s license reinstatement fees by \$160, resulting in a net increase of \$30 in OVI minimum financial penalties

House Bill 322 – Sex Crimes

- Provides that if a registrant for the Child Sexual Abuse Registry fails to comply with registration, notice, and verification requirements, the penalty for a violation of the offense is a civil penalty of up to \$2,500, instead of a fifth degree felony.

Offense of Grooming.

The bill creates the offense of grooming by prohibiting either of the following:

- 1) A person who is 18 years of age or older from engaging in a “pattern of conduct” with a minor who is less than 16 years of age and who is four or more years younger than the person, when the pattern of conduct would cause a reasonable adult person to believe that the person is communicating with the minor with purpose to do **either of the following**:

Michael E. Cicero
Village Prosecutor

Criminal Law Update, continued.

- Entice, coerce, or solicit the minor to engage in "sexual activity," and when the person's purpose in engaging in the pattern of conduct is to entice, coerce, or solicit the minor to engage in sexual activity with the person or a third person.
 - Prepare the minor to engage in sexual activity, and when the person's purpose in engaging in the pattern of conduct is to prepare the minor to engage in sexual activity with the person or a third person that would be a violation of various other Ohio sex crimes.
- 2) A person who is 18 years of age or older from engaging in a pattern of conduct with a minor if the person and the minor are in any of the relationships described in the Revised Code section prohibiting sexual battery (see the prohibited relationships below), when the pattern of conduct would cause a reasonable adult person to believe that the person is communicating with the minor with purpose to do the same conduct that is mentioned in Section 1 above.

Prohibited Relationships:

- The person is the minor's natural or adoptive parent, or a stepparent, or guardian, custodian, or person in loco parentis of the minor. The minor is in custody of law or a patient in a hospital or other institution, and the person has supervisory or disciplinary authority over the minor.
- The person is a teacher, administrator, coach, or other person in authority employed by or serving in a school for which the director of education and workforce prescribes minimum standards, the minor is enrolled in or attends that school, and the person is not enrolled in and does not attend that school.
- The person is a teacher, administrator, coach, or other person in authority employed by or serving in an institution of higher education, and the minor is enrolled in or attends that institution.
- The person is the minor's athletic or other type of coach, is the minor's instructor, is the leader of a scouting troop of which the minor is a member, or is a person with temporary or occasional disciplinary control over the minor.
- The person is a mental health professional, the minor is a mental health client or patient of the person, and the person induces the minor to submit by falsely representing to the minor that the sexual conduct is necessary for mental health treatment purposes.
- The minor is confined in a detention facility, and the person is an employee of that detention facility
- The person is a cleric, and the minor is a member of, or attends, the church or congregation served by the cleric.
- The person is a peace officer and is more than two years older than the minor.

The general penalty for Grooming is a misdemeanor. However, if there are prior convictions, a victim less than 13, or if the violator supplied alcohol or a drug of abuse to the victim, the penalty can be up to a third degree felony.

Offense of Sexual Extortion

The bill creates the offense of sexual extortion, which prohibits a person from threatening to release, exhibit, or distribute the private images of another with purpose to do various thing, including obtaining anything of value from the victim

Generally, sexual extortion is a third degree felony. If the offender previously has been convicted of or pleaded guilty to sexual extortion or if the offense involves sexual extortion of a person under the age of 18, an elderly person, or a disabled adult, sexual extortion is a second degree felony. If the offender has previously been convicted of or pleaded guilty to two or more times to sexual extortion or if the offender has previously been convicted of or pleaded guilty to an offense involving sexual extortion of a person under age 18, an elderly person, or a disabled adult and the offender knows or has reason to know that the person is under the age of 18, an elderly person, or a disabled adult, sexual extortion is a first degree felony.

Another Look in the Rearview Mirror

Shane McAviney, Director of Parks & Recreation

As I looked through my Voice of the Village articles from the past seven years, I thought about a quote from Dr. Seuss: "Sometimes you will never know the value of a moment until it becomes a memory." Well, here we are again, another year gone in the blink of an eye! Looking back, I can confidently say that 2024 was a year filled with memories that will stick with us for a long time—and 2025 promises even more excitement. So, let's hit the brakes for a minute and look at all the fun we had this past year before we speed ahead into the future!

Shane McAviney
Director of Parks & Recreation

2024: A Year of Memories and Milestones

A Holiday Season of Fun and Festivities! Santa's annual neighborhood tour to our ever-popular Tree Lighting Ceremony and Menorah Celebration, Mayfield Village glowed with holiday cheer this winter. Santa and his team made over 300 deliveries on an extra cold day, proving once again that even a little bad weather couldn't dampen the holiday spirit! A special shout-out to Santa's loyal crew for spreading joy and making our Village feel like a Hallmark movie come to life.

Spring into Action. Spring in the Village kicked off with egg-cellent family fun at the annual Easter Party and Leprechaun Hunt. Events like these remind me how lucky we are to have such an engaged community that shows up to laugh, play, and enjoy time together.

Summer in the Village. As always, summer was the season that brought us together like no other. The Grove Amphitheater was alive with weekly music and entertainment that had people dancing under the stars.

Cruise Night in June turned the heart of Mayfield Village into a classic car lover's paradise, with live music, family-friendly fun, and a packed plaza. Independence Day celebrations didn't disappoint, either! Johnny Cash tribute artist Terry Lee Goffee rocked The Grove and Northeast Ohio's best fireworks lit up the summer sky in spectacular fashion.

Fall Favorites. As the leaves turned, we brought the magic of Halloween to life with the Trick or Treat Trail. Kids of all ages enjoyed games, activities, and plenty of candy, proving once again that Mayfield Village knows how to celebrate the spooky season.

What's in Store for 2025? Let's Roll! Looking ahead, we're excited to make 2025 *even bigger and better*. Here's a sneak peek at what's coming your way:

Lucky The Leprechaun Trail: March 1 – March 14 plus a party on March 15. Solve riddles around

town to find Lucky's hidden treasures! Post a photo of your find to enter a drawing for a Parkview Pool Household Pass or a Day Party. Winners will be announced at Lucky's Party on March 15 at the Mayfield Branch Library (attendance not required). Call 440.461.5163 to join and follow us on Facebook for updates.

Easter Trail EGGSTRAVAGANZA: Easter Trail Eggstravaganza is an event for Mayfield Village children (ages newborn-11), featuring a walk along the Easter trail with games, activities, photos with the Easter Bunny, and entertainers at The Grove. The event concludes with an egg hunt, so bring a basket to collect eggs. Registration is required by April 4, and the event takes place on April 12 from 11:00 AM to 1:30 PM.

Mother's Day Pancake Breakfast: The Mother's Day Pancake Breakfast offers a delicious meal by Pizzazz, featuring pancakes, sausage, and hash browns. Both dine-in and pickup options are available. The Mayfield Village Garden Club's annual Garden Shop Sale will also be on-site. Registration starts March 19 for residents and April 2 for the general public. The event is on Sunday, May 11, with dine-in from 8:00 AM to 12:00 PM and pickup from 8:00 AM to 11:00 AM.

The Memorial Day Celebration on Sunday, May 25, from 1:00 to 2:00 PM at Whitehaven Memorial Park honors those who perished in service, with the Disabled

American Veterans leading the ceremony. The event includes music, speeches, a Color Guard, and a tribute to all service flags.

Mayfield Village Summer Kickoff Party at the Grove and Parkview Pool – NEW for 2025! Kick off summer on **June 7, 2025, from 5:00–8:30 pm at Parkview Pool** with free swimming, complimentary pizza and drinks (5:30–7:00 pm), and activities for all ages. The celebration continues at The Grove with a live performance by *Parrots of the Caribbean* from 7:00–9:30 pm, featuring Jimmy Buffett favorites. No registration required—residents and members are welcome!

The Grove: Back for Another Unforgettable Season: June through August, The Grove will feature a variety of programming designed for everyone. Whether you're a fan of disco, rock, or Sinatra-style classics, there's something for everyone to enjoy under the stars. Be on the lookout for your *2025 Entertainment Brochure* with all the details!

Cruise Night Returns: Saturday, June 14 Vintage cars, live music, and activities for the whole family—mark your calendars now for a night to remember! (Rain date: June 15.)

Independence Day Celebration: Saturday, June 28 Parkview Pool will host daytime activities, followed by music and fireworks at The Grove. This year's headliner will have you singing along to hits that span generations. Don't miss it!

The Annual Village Party: Saturday, August 9 A summer tradition like no other, this resident-exclusive celebration will include food, family fun, and a special showing of *Guardians of the Galaxy*. (Get ready for those *FM77* tunes again!)

Thank You to the Team and Community. I would like to extend a heartfelt thank you to my dedicated team at the Parks & Recreation Department, as well as to Mayor Bodnar, the Village Council, Parks Board and our incredible community volunteers and partners. Your hard work, commitment, and support are the foundation of everything we do. None of the successes we've experienced this year would be possible without each and every one of you. Together, we have built a vibrant, welcoming community where memories are made year-round—whether it's through our events, programs, or the ongoing growth of the Village. It's because of your passion and collaboration that Mayfield Village has become a place where people not only live, but truly thrive. From exciting gatherings at The Grove to the many activities that bring neighbors together, we are creating a place where everyone feels a sense of belonging.

I am eager to see what we will accomplish in the coming year. There's so much more to look forward to, and with such an amazing team and community, I know we will continue to build on our success.

Recent Changes to Police Department Personnel

Paul Matias / Chief of Police

Patrol Officer Rosco Lanier

The end of 2024 brought some exciting changes to the Police Department. In October, we welcomed Officer Roscoe Lanier, who is our newest Full-Time Patrol Officer. Roscoe served several years on the Cleveland Police Department and has served the past four years on the Cleveland Clinic Police Department.

In November, we welcomed Emily Barni as our new Full-Time Dispatcher. Emily is an avid horse enthusiast and a Kent State University and John Carrol University graduate.

In December, we promoted Officer Steve Palka to the rank of Sergeant. Steve has served the Department for eleven years. He is a member of the regional SWAT Team, a fire-arms instructor, and a Law Enforcement Fitness Specialist. Congratulations to Rosco, Emily, and Steve.

Thank you to our Officers, Dispatchers, Auxiliaries and support staff for a great year!

Sergeant Steve Palka

Dispatcher Emily Barni

Paul Matias
Chief of Police

SCAM AWARENESS PROGRAM

Thursday, March 6, 2025 @ 7:00pm

Community Room / 6621 Wilson Mills Road

Join the Mayfield Village Police Department for an evening of scam awareness and prevention. Topics will include:

- *Current Scams *
- *How to Protect Yourself*
- *Available Resources for Scam Victims*

The evening will include a round of SCAMO, a bingo-style game that everyone will enjoy!

Registration is not required to attend. For additional information, please contact Maura McKinley at 440-471-1056.

Working with a New Medical Director

Eugene Carcioppo / Fire Chief

Dr. James Sauto

I hope you all had a happy holiday season, and wish you all a great 2025.

The Mayfield Village Fire Department provides emergency medical services with The Cleveland Clinic functioning as our medical direction. All Firefighter/EMTs are certified by the State and are required to function under a doctor's medical license under both standing medical protocols and online directives, when applicable.

Dr. James Sauto has been our medical director for the past 10 years and has provided us with medical training and guidance to provide superior services of the highest quality, through training education, which is then demonstrated through our department's clinical capability and bedside manner. With the evolution of the Cleveland Clinic's dedication of support of

Emergency Medical Services, they decided to revamp their program which is resulting in a change in our medical direction. We will miss Dr. Sauto's knowledge, skills and abilities and appreciate all that he has done for our department.

Our new medical director that started with us this January is Dr. Jill Mohr. If her name sounds familiar it is for good reason. Dr. Mohr is the daughter of retired Mayfield Village Fire Chief David R. Mohr. Dr. Mohr grew up with Mayfield Village Fire Department as a big part of her life and was here for our station's grand opening in 1996. Dr. Mohr will be conducting simulation training and medical run review for our department every month and when available responding on emergency calls to provide medical care to our response district.

Eugene Carcioppo
Fire Chief

Dr. Jill Mohr

Members of the Mayfield Village Fire Department gathered at the recent swearing-in ceremony of the Department's newest member, Niko Willrich.

Public CPR and Safety Training

Matthew Martin / Fire Lieutenant

I recently took over as our EMS/CPR coordinator for Mayfield Village Fire Department. One of my main goals is to increase the availability of offerings and add additional types of training. We recently had five more members of our staffed trained as CPR instructors, bringing our total to ten. This allows us to accommodate requests more promptly. We offer CPR/AED training free of charge to our residents and businesses. After successful completion of a course, students are issued an E-Card via email.

Currently, for CPR certification we offer BLS for healthcare providers and Heartsaver CPR/AED. The BLS program is designed for those who work in the healthcare field while Heartsaver is designed for someone who is not a healthcare worker but wants to learn CPR.

In addition to both of these classes, we also offer Stop the Bleed which teaches bleeding control. I am working on adding additional courses in 2025 including one on Allergic Reactions/EPI-Pens, a general first aid class, and a babysitting course. We are able to teach multiple courses the same day and customize them to your specific needs. For convenience, we offer morning, evening and weekend options.

In 2024 we taught 15 CPR classes with a total of 105 people becoming certified or re-certified. We work closely with the Mayfield School District and certify the med-tech program students each fall. In addition, we assist in CPR and Stop the Bleed instruction for the health classes at MHS in which 150-200 students learn life saving skills each year.

We are grateful for the legislation in Mayfield Village requiring AED's in certain business occupancies. This paired with our training program is responsible for three successful cardiac arrest "saves" in the last five years. The individuals who suffered a cardiac arrest in these instances, made a full recovery and were able to resume their normal daily lives.

Part of the changes I am making is that I am adding scheduled community CPR classes. In 2025 these classes will be held on the following dates...

- Saturday February 22nd @ 9am
- Wednesday May 7th @ 6pm
- Wednesday September 10th @ 6pm
- Saturday November 8th @ 9am

All CPR classes are held at our Fire Station and are 3-4 hours depending on the size and class type.

If you are interested in one of our scheduled classes or would like to inquire about having a class for your business or group, please contact me at mmartin@mayfieldvillage.com or by calling the station (440) 461-1208. Due to our unique schedule, you will usually receive a faster response via email.

Matthew Martin
Fire Lieutenant

Ohio EPA Awards Mayfield Village \$75,000 in Grant Funding

Funding from H2Ohio Rivers Chloride Reduction Grant Program

Last Summer Mayfield Village was awarded \$75,000 in the second round of grant funding by Ohio EPA's new H2Ohio Rivers Chloride Reduction Grant Program. This grant is part of the \$2.7 million in grants for 52 Ohio communities announced on August 1, 2024, by Governor Mike DeWine to upgrade equipment and salt storage facilities. The H2Ohio Rivers Program is an expansion of Governor DeWine's H2Ohio initiative. Applicants for these grants were able to apply for funding for either new salt equipment or storage facility construction to help alleviate costs to local governments across Ohio.

Mayfield Village used this funding to replace the roof of the salt dome located at 734 SOM Center Rd. Acquired from ODOT in 2013, the Service Department uses this facility to operate its Winter Deicing/Snow Removal Program and store over 2000 tons of deicing salt product throughout the year. The dome is designed to store deicing salt under-cover and protected from weather. Wear and tear over the years,

however, had left the dome with missing vents, lost shingles, and holes in the roof. The roof flaws along with missing gutters and downspouts allowed rain water to collect on the floor of the dome and eventually run out into the nearby Griswald Creek Chagrin River Watershed.

Recent water quality testing has shown that Ohio's waterways are seeing an increase in salt concentrations, primarily due to the use of road salt. Salt can also cause nutrients and metals to detach from sediment, decreasing water quality. There are many drinking water facilities across the state that utilize river water for their source of drinking water. Water that is contaminated with road salt requires additional treatment. Additionally, road salt can cause issues with corrosion in pipes, valves, and other drinking water equipment.

Mayfield Village is committed to helping protect Ohio's waterways by reducing unnecessary salt runoff throughout the community. The salt dome is integral to the success of the Winter Deicing/Snow Removal Program. When working properly, the dome provides an effective barrier between the deicing salt stores and the surrounding environment. This grant and roof replacement project eliminates unintentional runoff from the salt dome and ensures the deicing salt is only applied appropriately, as intended, to Village roadways during winter events.

Mother's Day

SUNDAY • MAY 11 • 8 AM TO 12 PM

Breakfast provided by Pizzazz Pizza and includes pancakes, hash browns, sausage, orange juice and coffee.

Dine-in or pick-up at the Civic Center, 6622 Wilson Mills Rd.

Pick-up meals do not include beverages.

Registration is required and begins on March 22. Call 440-461-5163 or visit <https://mayfieldvillage.activityreg.com>

Timeslots can be picked when registering. If space is available, walk-ins will be accommodated.

The Mayfield Village Garden Club will host its annual Garden Shop/Plant Sale during the breakfast. Stop by to support this local organization.

Don't Crowd the Plow... Please!

Frank Stupczy, Service Director

Frank Stupczy
Service Director

Waking up and admiring the beauty of a fresh fallen snow while enjoying a warm cup of coffee is an experience unique to the winter months in Northeast Ohio. Beautiful snowscapes, fun winter activities, and cozy cups of hot chocolate are all images synonymous with winter. Even simply admiring the winter through one's living room window can be a special comfort. Experiencing winter through the windshield of a snowplow, however, can be anything but comforting.

Winter months can create hazardous and sometimes unnavigable roads in our Village. Our snowplow crews work tirelessly day and night through the winter to clear roadways and make them safe for public travel. While our crews and personnel are highly skilled and trained in snow removal and deicing techniques, there are a number of things our fellow roadway travelers can do to help:

Slowdown and Increase Following Distance: The posted speed limit is not a safe speed during winter events. It can take up to 10x farther to stop on icy pavement than on dry roads. Also, our snowplows follow routes that aren't always obvious to the casual driver. *Don't Crowd the Plow*, and give plows room to maneuver and do their thing so you can get to where you are going safely and do yours.

Watch for Snow Clouds: Clearing roads is a messy job. When conditions are right, our snowplows can create sudden whiteout conditions around them that leave surrounding motorists with zero visibility. *Don't Crowd the Plow*, and be ready for sudden changes in your surroundings when traveling near a plow truck.

Beware of Blind Spots: A plow driver's field of vision is greatly limited in the cab of the truck. There are multiple blind spots created by the truck and snow removal equipment. If you cannot see a truck's rearview mirror, the driver cannot see you. *Don't Crowd the Plow*, and be aware you may be traveling in a blind spot. The plow operator may not be aware of you.

Never Pass a Plow Truck on the Right: As a rule, plow trucks travel slowly and push snow from left to right creating deep slush and heavy snow rolls that are impossible to navigate with a vehicle. Our trucks also need to make wide turns to clear entire intersections and lanes. *Don't Crowd the Plow*, and please leave them plenty of room to clear the road.

Winter is a time of year that offers us opportunities to enjoy that are unique and special. Our crews work hard to maintain the roads so everyone travelling through our Village can get where they want safely. Let's work together to ensure an enjoyable winter season for everyone. As always, please don't hesitate to contact our Service Department with questions and concerns regarding our snow removal and deicing operations. Have a wonderful winter!

Lets Talk Trash: What You Need to Know About Trash Bulk Pick-up

Lisa Lesner, Service Department Executive Assistant

Lisa Lesner
Service Dept.
Executive Assistant

Before you load up your car and head to the service garage, here's an important reminder: Mayfield Village does not provide dumpsters for public use. Instead, all trash and recycling services are managed by **Kimble Recycling & Disposal, Inc.**

Did You Know?

Your trash service includes **bulk pick-ups**—no extra charge! Not sure what that means? Let's break it down:

Weekly Trash Limit: Each week, you're allowed up to **3 cubic yards** total of trash. Bulk items are included in the 3 cubic yards. (For reference, one cubic yard is roughly the size of a washing machine.) Kimble appreciates if all bulk items are scheduled through customer service so drivers can be notified about items out for pickup. Bulk Items are anything that will not fit in your container and weigh over 50 pounds or require two people to lift.

Examples include but are not limited to:

- Mattresses (Placed in mattress bags)
- Couches (Placed in furniture bags)
- Stoves
- Washing Machine
- Old refrigerators

How to Schedule a Bulk Pick-Up: If you've got oversized or heavy items, Kimble Recycling & Disposal, Inc. is here to help! Simply:

- 1) Call **1-800-201-0005 Ext. -9404**
- 2) Or visit [Kimble's Bulk Trash Info Page](#)

Important Details:

- Bulk pick-ups in Mayfield Village will typically occur on the regular pick-up day. However, in cases where items are exceptionally heavy or require two people to handle, they are usually scheduled for a Saturday bulk route.
- Kimble drivers greatly appreciate it when bulk items are broken down as much as possible, ensuring safe and easy pickup.
- Scheduling your bulk pick-up **at least 2 business days** in advance allows Kimble to notify drivers of the bulk items they should expect to encounter on their route.
- Kimble is not required to remove construction debris as a result of repairs implemented by private contractors hired by the homeowner. Small remodeling work done by the homeowner is acceptable.
- With this service, there's no need to stress about getting rid of big, bulky items. Just schedule a pick-up, and let Kimble handle the rest!

Lucky the Leprechaun

Scavenger Hunt

The Mayfield Branch Library and the Mayfield Village Parks & Recreation Department invite you to participate in the 3rd Annual Lucky the Leprechaun Scavenger Hunt!

The Scavenger Hunt will be held on The Bruce G. Rinker Greenway Trail (north of Highland Road) from March 1 to March 15. This year, Lucky has new tricks up his sleeve! Solve Lucky's riddles to find seven hiding spots along the trail. In addition to the fun prizes Lucky leaves behind at each hiding spot, you will also discover a letter. Find all 7 letters and unscramble them to reveal the secret password. That is not all that Lucky is up to. He has also hidden bonus hiding spots for those who want to have more St. Patrick's Day fun. These spots are a little harder than the normal ones but will still have the fun prizes at each spot.

Once you have figured out the password, email it to sclark-cartwright@mayfieldvillage.com to be entered to win a Parkview Pool Household Season Pass for 2025. Winners will be chosen at the Lucky the Leprechaun Party being held at the Mayfield Branch Library on Saturday, March 15 from 2:00 to 3:30 P.M. Your presence is not required to win, but we hope you will drop in for crafts, snacks, and other activities at the Library. This is an event your family will always remember! Walk-ins are welcome. You can let us know you're coming to the party by registering at attend.cuyahogalibrary.org. If you have any questions, please contact the Parks & Rec Dept. at 440-461-5163 or send an email to sclark-cartwright@mayfieldvillage.com.

Solve These Riddles to find Lucky's Hiding Spots:

- 1) The leprechaun's treasure quietly glows. Where tunes and melodies grow. Under the stars or in daylight's gleam, where the crowd gathers and voices stream.
- 2) Where water sparkles, blue and bright. You might just spot a leprechaun's sight. Dive in deep or float with ease in this place where fun is a breeze.
- 3) In the land of green, where luck does play, I hide your prize in this place to stay. Search where teams run the bases, with cheer, your treasure's waiting here!
- 4) In the spirit of green and fun, a game of skill, not just for one. Where balls roll smooth, and aim is key. Look around, your prize you'll see.
- 5) Sometimes I like to walk. In a spot that's not a park. Here you will find a story you see. Continue the trail, what will the end be.
- 6) Lucky the Leprechaun is here to see if he can learn to count 1-2-3. I'm full of stories, quiet and light. Find your treasure where books take flight.
- 7) Lucky has left something fun that's true. Where the cars have lights of Red, White, and Blue.

Unscramble the Letters to Reveal the Secret Password:

Bonus Hiding Spots:

- 1) By a house of history, old and grand. In the park, this pavilion stands.
- 2) Where memories stand, both strong and grand. A tribute of honor, across the land. No shamrocks here, but courage you'll find. In this spot where heroes remind.
- 3) Here we sit in the sun. In the Summer Wednesdays are fun. With music and dancing in the air. We hold our lunch concerts here.

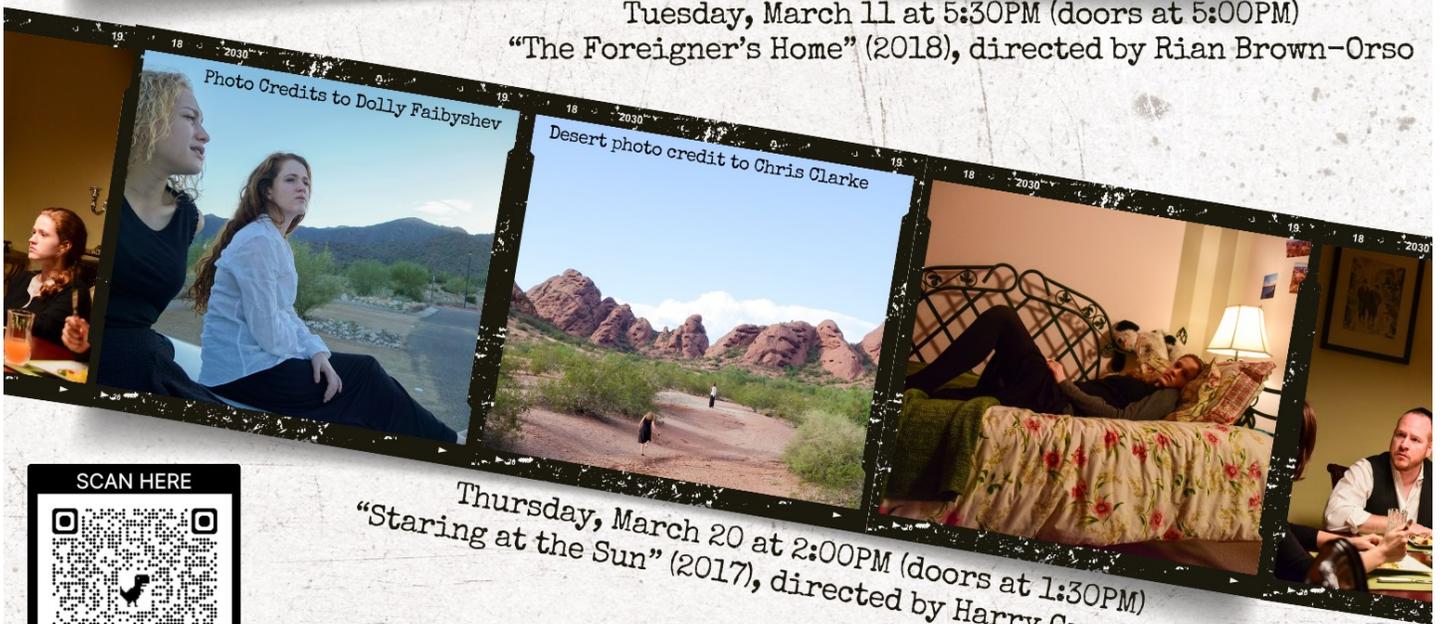

**COMMUNITY PARTNERSHIP ON AGING AND OHIO ARTS COUNCIL PRESENT
A THREE-PART FILM AND FILM DISCUSSION SERIES WITH
INDEPENDENT FILMMAKERS**

Thursday, March 6 at 4:30PM (doors at 4:00PM)

Senior News / Samantha Clark-Cartwright

Program & Facilities Manager / Senior Program Coordinator

Happy New Year. Welcome to 2025! We hope the new year brings you everything you wish for and more. Whether you're looking to pick up a new skill, try a fun activity, or make new friends, we're here to help make your journey into the new year enjoyable.

Seniors enjoyed the 2024 Adult Easter Hunt.

We are also thrilled to announce the return of our **Senior Appreciation Luncheon** on March 28 from 12:00 to 2:00 P. This event is our way of showing appreciation to all of you who support our programs throughout the year. Enjoy great food, music, and conversation with friends—old and new! Registration for the luncheon will begin on February 10 for residents of Mayfield Village and will remain open until full. Starting February 24, registration will be available to seniors

living outside of Mayfield Village.

Our **Adult Easter Egg Hunt** will return on April 17, from 6:00 to 8:00 P. Join us for pizza, salad, and a fun Easter Egg Hunt around the Gazebo. Relive the joy of collecting Easter eggs filled with treats! This event is \$5 per person, and registration is required.

We also have some nighttime classes coming up. February 24 at 6:00 P, we will be hosting a **Make and Take: Gnocchi Delights class** taught by the staff of Village Butcher. In this hands-on experience, you will learn how gnocchi is made and get to roll the dough into the classic shape.

While creating the gnocchi shape the instructor will cook and pair the gnocchi with a delicious sauce for everyone to enjoy. At the end of the class, everyone will take home fresh gnocchi to create meals at home. This culinary experience is \$60 per person and offers a wonderful opportunity to learn something new while enjoying amazing food. Advance registration is required.

On February 6 and March 20 from 6:00 to 7:30 P, **Trivia Night** in the Community Room. Challenge your knowledge across various categories and compete for great prizes! This is the perfect opportunity to socialize, laugh, and test your trivia skills. This event is just \$5 per person per date, and pizza and refreshments will be provided. Advance registration is required.

Each week we offer a variety of other activities for all interests, including Balance and Chair Yoga, Bingo, Cards, Mah Jongg, Lunch and Learns, and more! For a full list of activities or to get more information, please call Senior Services at 440-919-2332.

We look forward to seeing you at these fun events in 2025!

Samantha Clark-Cartwright
Program & Facilities Manager
Senior Program Coordinator

Cookie Decorating Class 2024.

Mayfield Women’s Club GFWC/OFWC

The Mayfield Women’s Club is a service organization that offers its members many opportunities for socializing and fun. Interested in membership? Contact Marie at 440-449-8639.

 - May 19 Lost Lake Erie – presenter Jennifer Boresz Engelking
 - June 7 No meeting – Installation of Officers
- Meetings resume in September.

Emergency Preparedness Tips

Our local CERT has been working to develop a series of emergency tips for residents called “do 1 thing” that we are happy to share in the VOV. Watch for a tip in every issue.

Source: do1thing.com

Provided by

www.TriCommunityCERT.com

do 1 thing: Food

Have a three-day emergency food supply for your household: Tip 1

Power outages are emergencies that often result from other emergencies. Do not underestimate the need to be prepared for them.

Ensure your family -- including pets -- will have what they need in a disaster.

Buy food items before they run out and when they're on sale.

Shop for emergency rations using the “BUS” rule: Tip 2

Balance: Provide a balanced diet with items from each food group.

Usability: Select items that don't require cooling, heat or need excessive water.

Shelf Life: Check expiration dates and use or replace foods before they expire.

2024 LEGISLATION

Listed below are shortened titles of all legislation considered and voted on by Mayfield Village Council during 2024. Copies of the full text of these Ordinances and Resolutions can be accessed at mayfieldvillage.com under the Government tab or by contacting Council Clerk Mary Betsa at 440-461-0862 or mbetsa@mayfieldvillage.com.

UPCOMING MEETINGS & EVENTS

- **January 22, 2025, Wednesday, at 1:00 pm** **General Meeting:** MV Civic Center

Program: Kate Chapel, Watershed Coordinator, Cuyahoga Soil & Water Conservation District will present "Euclid Creek Watershed – Stress to watersheds and how we can alleviate the stress."
- **February 26, 2025, Wednesday at 1:00 pm** **General Meeting:** MV Civic Center

Program: "Southgate Farm Beginnings and Organic Gardening." Rachel Bellis, farmer, and co-founder of Southgate Farm located in Green, OH.
- **March 26, 2025, Wednesday, at 1:00 pm** **General Meeting:** MV Civic Center

Program: "Soft Landing Garden". Dave Tomaszewski from Meadow City, a native plant nursery in Cleveland's North Collinwood neighborhood, will talk about planting a "soft landing" garden beneath a tree. The soft landing is for butterflies as they go through their various stages.
- **April 23, 2025, Wednesday at 7:00 pm** **General Meeting:** MV Community Room

Program: "Western Reserve Land Conservancy" presented by Renee Boronka, Director of Conservation Education and Outreach
- **May 11, 2025, Sunday 8:30 am to 12 Noon** **Location:** Mayfield Village Civic Center

Spring Plant Sale on Mother's Day

The annual plant sale is scheduled to be held at the same time and in the same location as the Mayfield Village Mother's Day Pancake Breakfast. The Committee coordinates with the Mayfield Village Parks and Recreation department. The Club provides families the opportunity to buy a plant, house plants, hanging basket or garden related item when they attend the breakfast. In addition to plants, the Club offers a variety of baked goods that have been made by the Club's members.

- **May 28, 2025, Wednesday at 6:00 pm** **Event:** Annual Installation Dinner

Location: Rustic Grill at Stonewater Golf Club, Aberdeen

No General Meetings in June and July. Meetings will resume in August.

The Mayfield Township Historical Society

Please consider supporting us with a yearly membership which runs from January through December: Send your dues—\$15 single, \$25 family, \$50 contributing, \$500 lifetime—to 606 SOM Center Rd, Mayfield, OH 44143. We are also training docents to help host the Mayfield School 3rd graders when they tour the historic house in April and May. Please leave a message at 440-461-0055 with your name and phone number if you are interested so we can schedule training.

The Bennett-Van Curen Historical House

Meetings are held at the Mayfield Village Community Room, 6621 Wilson Mills Rd., second Wednesday of the month at 7 p.m. You don't have to be a member to join the meetings, free and open to the public. Bring a friend. Join us for refreshments after the program. We can always use your help. Join our volunteer group if you feel you have a skill to help us at the historic house: tour guide, research, light weeding, garden care, handyman skills, computer skills, hospitality, baking cookies for a meeting.

- **February 12 – WHO HAS SPRING/CLEVELAND GUARDIANS FEVER?** Wednesday, 7 p.m., Bob DiBiasio, Senior V.P. of Public Affairs for the Guardians, will join us to kick off the Guardians' Spring Training season with stories of our Cleveland team's storied past and review the upcoming MLB season for the team. Grab your favorite team jersey or hat and join us! We'll get the popcorn ready! Officer election and swearing in.
- **March 12 – THE HEINEN'S STORY – FROM ONE TO MANY!** Wednesday, 7 p.m., We will find out all about the Heinen's story – how it started; how it's grown; how they source the quality of the products they sell, how the Heinen's food brand developed and what the future holds. Bring your questions.
- **April 9 – THE CULTURAL GARDENS ON LIBERTY BOULEVARD,** Wednesday, 7 p.m., Rebecca McFarland will share the story of how the Cultural Gardens came to be as one of Cleveland's most treasured landmarks in celebration of our diverse population and heritages. Ms. McFarland's books will be available for sale at the meeting.
- **May 14 – LAKE ERIE MURDER & MAYHEM,** Wednesday, 7 p.m., author, Wendy Koile, invites us to dive into the mysteries and evil misdeeds of pirates, robbers, and even murderers who have used the 240-mile stretch of the open waters and dark shoreline of Lake Erie to commit such bloody offenses. Her books will be available for sale at the meeting. Members are reminded to turn in quilt raffle tickets/money, the drawing will be held tonight. You can still purchase tickets, 3 for \$5 or \$2 for 1.

Mayfield Village Presents Historical House with AED

Recently, following the request of Historical Society volunteers to Fire Chief Eugene Carcioppolo, the Village agreed to purchase an AED (automated external defibrillator) for the Historical House. Given the Village's support of early 911, early CPR, and rapid defibrillation to improve the chances of survival for someone experiencing a sudden cardiac arrest, the Village and Fire Chief Carcioppolo were pleased to present the AED to Joan Gottschling, the current President of the Historical Society, at the November Council Caucus.

Historical Society President Joan Gottschling was presented with an AED for the Historical House by Fire Chief Eugene Carcioppolo.

Community Recycling

In cooperation with the Cuyahoga County Solid Waste District, Mayfield Village sponsors quarterly week-long recycling events.

Residents Can Drop off old Computers, Scrap Tires and Household Hazardous Waste at the

Service Department

610 SOM Center Road

Mon-Fri 7am to 3 pm / Saturday 9 am to 1 pm

Jan 25—Feb 1

April 5-12

July 5-12

October 4-11

For information about items accepted for recycling, please call 440-442-5506 or visit the Service Department tab at <https://mayfieldvillage.com>

Heritage Home offers assistance and low-interest loans to residents with homes over 50 years old. Visit mayfieldvillage.com or heritagehomeprogram.org for details.

Recycle old clothing, shoes, pillows, linens, household items and other soft recyclables through Simple Recycling. Bag your items and schedule a FREE pickup at simpler recycling.com or call 866-835-5068. Details about accepted items can be found on the website.

COMPOSTING MADE EASY! Turn your food scraps into soil and help stop the production of powerful greenhouse gases. Drop-off location at Civic Center Parking Lot. Visit rustbeltriders.com or call 216-800-4651(Ext 2) to become a member.

American Red Cross | Blood Services

The need for blood continues and patients need your help. Donation sites continue to operate, including here at the Civic Center in Mayfield Village, 6622 Wilson Mills Road.

Upcoming dates include:

February 12 & 28 from 12-6 p

March 5 & 19 from 12-6 pm

April 2 & 17 from 12-6 pm

See www.redcrossblood.org for other local locations. Please note that appointments are required. Make an appointment online or call 1-800-REDCROSS (800-733-2767).

Hillcrest

Hillcrest Meals on Wheels serves the nutritional needs of homebound senior residents by delivering meals directly to their homes. The service area includes the communities of Highland Heights, Richmond Heights, Mayfield Heights, South Euclid, Lyndhurst, and Mayfield Village.

Meals are prepared by the Greater Cleveland Food Bank Catering Division and delivered Monday through Friday between 11:00 and noon by volunteers. A hot meal with an option of a lunch box is provided at a nominal cost. If you would like to order meals for yourself, someone you know, or would like to volunteer to deliver, please call Judy Conkling, Program Coordinator at (440) 449-3551, or email mealsonwheels@lyndhurst-oh.com for more information.
