

## Mayfield Village Sidewalk Repair Program

In Mayfield Village, sidewalk repair and replacement is the responsibility of the homeowner. Mayfield Village has adopted an assistance program where it will reimburse residents for sidewalk repair or replacement at a rate of up to \$125.00 per block to a maximum amount of \$1000.00 per residence. **This reimbursement program is limited to sidewalk blocks that are damaged by tree roots from tree lawn trees.**

To apply for assistance, please complete the Application below and return it to the Mayfield Village Service Dept. Prior to any sidewalk work being done, the Service Director will visit your property to assess the sidewalk and determine how many blocks are eligible for reimbursement. You will be notified of this determination. Upon submission of a receipt showing that the work has been completed, a reimbursement check will be issued to the homeowner.

Thank you for participating in this program. If you have any questions, please call the Mayfield Village Service Dept. at 440-442-5506.
