MEMORANDUM

To: Council President Schutt and Members of Council

From: Jeff Thomas

Date: May 29, 2026

RE: IT Services Renewal

Our annual renewal with All Covered/Konica Minolta is due in June. These services include our Managed Endpoint Detection and Response (EDR) solution, Proofpoint email filtering, and the management, backup, and disaster recovery services for all Village servers.

I am requesting Council to authorize the renewal of IT services with All Covered/Konica Minolta for the period of June 2026 through June 2027 in an amount not to exceed \$34,000.00.
