**RE:** Omni Systems – annual rebate review

---

Please be advised that we will need to convene the MCIC before the regular Council meeting on April 20<sup>th</sup> to perform the annual review of the income tax rebate incentive agreement for Omni Systems. The company's results from 2025 are as follows:

**Omni Systems**

701 Beta Dr.

year 5 of 5 (35% rebate of income tax revenue, with potential for 2 additional years)

MITR: \$44,400

2025 income tax revenue: \$197,099.60 – in compliance – exceeds MITR by \$152,699.60

**\$68,984.86 rebate payment required**

I'm happy to report that the company continues to grow and exceed expectations since expanding into the building. Municipal income taxes have grown from roughly \$32,000 before the expansion project to over \$197,000 today, a figure which already outpaces year 6 projections.

Please feel free to reach out with any questions. Thank you
