Re: Request to declare obsolete or surplus vehicle.
Date: June 9, 2026

Listed below is a vehicle I would like to declare surplus. The vehicles are two Dodge Chargers, which will be replaced by new vehicle purchases. The vehicle was previously designated as Patrol Vehicles 4608 and 4613.

- MVPD Unit 4613: 2023 Dodge Charger – VIN 2C3CDXKG4PH537291 – 78,228 miles
- MVPD Unit 4608: 2020 Dodge Charger – VIN 2C3CDXAG5LH114053 – 71,195 miles

We received trade-in offers from Tim Lally Chevrolet of \$3500 for the 2020 Charger and \$4000 for the 2023 Charger. We are working to determine whether that offer is acceptable or whether the vehicles could be sold for more money.

Respectfully;

Paul J. Matias
Chief of Police
