### **Comments From Mayor Bodnar**

Thank you, Council President. Just a couple of things tonight. I wanted to continue my thanks to Frank Stupczy and the Service Department for just doing a crazy wonderful job in keeping our roads clean under conditions that make it nearly impossible to do, but somehow you manage to do that. When I run into anyone who happened to have driven through Mayfield Village, they always are very quick to tell me that as soon as they crossed over from another city into Mayfield Village, they breathed a sigh of relief because the roads are in good condition. So thank you very much from all of us for doing that.

I also want to commend our Police Department and Fire Department. They were on the scene on Saturday night after a semi-truck jackknifed on 271 North and they secured the scene, made sure everyone was taken care of, and later reopened the road. So thank you very much for doing that for us.

Council President Schutt stated, thank you, Mayor.
