

VOICE OF THE VILLAGE

SPRING 2026

Strengthening Relationships in Our Community

Mayfield Village's newest Patrol Officer, Erica Rodriguez, clearly recognizes the importance of creating bonds with the youth of our community. Crime prevention experts regularly stress the importance of positive police interactions with the public, particularly with children, and the effectiveness of putting a smiling face with the uniform. Officer Rodriguez worked security for this year's Easter Eggstravaganza and got into the spirit of the event, giving some children an opportunity to see the inside of a patrol car.

2026 State of the Village

Memo from the Mayor / Brenda T. Bodnar

The State of the Village was read into the record at the April 20, 2026 Council Meeting, as required by the Village Charter. It is reproduced here, in its entirety.

Are we there yet? Anyone who has had children (or has been a child) is familiar with that classic road-trip question. It seems we are always anxious to reach our destination. In our case, we are not looking to arrive at a pristine beach or a favorite amusement park. Instead, we want to find our way back to comfortable, pre-Covid tax revenues.

Now that we are six years past Covid, I think it is safe to say that the Village is seeing fairly consistent annual revenue streams. While they are not at the levels that we enjoyed in the past, making the continued building of our reserves unlikely, we have been able to maintain staffing and services without having to dip into them significantly.

If you follow the Financial Reports that are posted on our website monthly, you see that in 2025, income tax collections were almost \$10.9 million, down from \$11.7 million in 2024, but up from \$9.8 million in 2023. Unfortunately, net profit taxes from our business base have gone from over \$2 million in 2023 to \$932,672 in 2025. This is reflected in our general fund balance of \$43.2 million, down from last year's balance of \$44.7 million.

Total General Fund revenues in 2025 were \$17.4 million and General Fund expenditures totaled \$18.9 million. As we all know, all costs, including employee salaries and benefits, continue to increase due to inflation. Despite careful spending and deferring and prioritizing capital projects, we are likely to continue to need to rely on some amount of reserves each year to maintain the *status quo*. Keep in mind, however, that even if we

continue to dip into our reserves, our general fund will last for many years.

In the meantime, our businesses continue to thrive and expand, already signaling a brighter economic horizon.

Beta Drive. We continue to strive to improve our economic picture by serving the businesses that make their home in Mayfield Village and trying to attract new ones. To that end, one of the major capital projects planned for 2026 is the rehabilitation of Beta Drive. Beta Drive was originally built in the 1970's and has served Mayfield Village well for decades. Currently, the roadway is in need of repair, curbs and driveway aprons are crumbling, and the sidewalks are cracked, spalled or uneven, in some cases making them no longer ADA compliant. In order to ensure that Beta Drive remains a desirable, productive and thriving business district, I am asking Council to approve an investment of \$3 million to install a new concrete roadway, new curbs and new driveway aprons. We are working with Beta Drive property owners to ensure that all damaged and uneven sidewalks are replaced as well.

Worton Park Culvert Project. The only other major capital project planned for 2026 is the continued work on Phase 2 of the Culvert Replacement Project in the Worton Park neighborhood. With assistance from the NE Ohio Regional Sewer District, two properties were acquired to allow more natural routing of the stream and expansion of the floodplain, and the homes there have been razed. With the help of the Chagrin River Watershed Partners, we recently applied to the

Mayor Brenda T. Bodnar

2026 State of the Village, continued.

Ohio EPA for \$300,000 in funding through Section 319 of the Clean Water Act of Ohio. We should know soon if that application was successful. Design and permitting is underway and, whether or not the grant is received, we plan to move this \$2+ million project forward later this year. We look forward to its successful completion that should alleviate roadway overtopping during storms and reduce the flooding that this neighborhood has been experiencing for decades.

Campus 1. As I'm sure you all know, the Progressive Campus 1 property on Wilson Mills Road, was recently sold at auction for \$6.75 million, a far cry from the initial asking price of \$35 million. Again, this is a reflection of the fact that there is little to no current market for office space. Prior to the auction, the only inquiries we received were from large big box retailers and car dealerships. Fortunately, this 42-acre property is zoned "office-laboratory" and such uses are currently not permitted. Even more fortunately, my staff and I have met with the attorney representing the group of investors that are the new owners of Campus 1, and they have expressed a desire to maintain the current buildings and seek appropriate users. We are working with them to determine alternate uses—potentially a mix of uses—that would be acceptable to the Village and considering a possible future zoning change. Remember, we have referendum zoning here and all zoning changes must be approved by the voters. So, be assured that residents will be well informed before anything is placed on the ballot.

Except for the continued hope that a large corporate headquarters moves into the 630,000 sq. feet of office space currently available at Campus 1, it is unlikely that any other potential uses could replace all of the previous income tax revenue the Village received from Campus 1. However, as I stated earlier, Mayfield Village has been able to maintain staffing and services with its current revenue stream. We will continue to strive to achieve the highest possible use by offering strategic incentives and ensure that any future use will increase our current revenues.

Campus 3. As you probably also have heard, Progressive's 56.5-acre, undeveloped property at 520 SOM Center Road—located west of the Mayfield Branch Library—was sold to an as-yet unnamed residential developer who is

exploring the potential for a townhome development. Progressive purchased this site in 2006 with the intention of building an additional office building there. The site has developed significant wetland conditions over the years, and while a few industrial developers previously showed some interest, they could not make the large footprints needed for industrial users work with the scattered wetland conditions. Because the site naturally demands smaller footprints, and in an effort to avoid impacts to neighboring residents that industrial use might bring, we have shifted gears to accept the potential of residential use at this location. Given that many people continue to work from home, we are hopeful that a residential development could generate some income tax revenue as well. This former Progressive property would also need to be rezoned, so residents will learn much more about the residential development proposed there before it is placed before them at the ballot box.

The uncertainty of what will be done with Campuses 1 and 3 has given us pause for a few years now, but as both have been sold, and as it is to everyone's advantage to put them to productive uses, the tide is slowly turning. We are cautiously optimistic that, over the remaining months of 2026, plans for those properties will crystallize, and we will see a more prosperous path forward.

Also on the economic development front, we welcomed seven new small businesses into the Village in 2025, mostly along Beta Drive.

On February 20, 2026, **Quality Electrodynamics**—a Canon subsidiary whose components power the world's leading medical imaging equipment—celebrated its 20th Anniversary. I was honored to be invited to attend the ceremony.

Founded in 2006, QED has provided high-quality products to the domestic and international medical device industry while closely collaborating with Cleveland's healthcare and research infrastructure. Under the leadership of Hiroyuki Fujita, the company has built a strong partnership with the local healthcare and medical technology cluster.

QED's significant impact on the Greater Cleveland community is reflected in the many congratulatory video messages presented at the celebration, including those from Governor Mike DeWine and U.S. Senators John Husted

and Bernie Moreno. Toshio Takiguchi, Executive Vice President of Canon Headquarters, attended along with many other dignitaries, including Baiju Shah, CEO of the Greater Cleveland Partnership; Matt Dolan, President of Team NEO; and André Gremillet, President and CEO of the Cleveland Orchestra.

The former Rockwell Automation property at 6680 Beta, largely vacant since COVID, was acquired by **Process Technology**, formerly headquartered in Willoughby and a leading supplier of thermal and power supply equipment for the microchip and metal finishing industries. Village staff is working with the company on plans to relocate its power supply manufacturing operation, adding approximately 66 new jobs here in Mayfield Village.

Mayfran International at 6650 Beta has been headquartered in the Village since 1971 and is a leading manufacturer of heavy conveyor systems that serve the metal-working & scrap industries. Mayfran became a part of Tsubakimoto in 2013. They employ approximately 200 full time employees, making them the Village's fourth largest taxpayer. Mayfran is expanding its plant by 45,000 sq. ft. to bring the fabrication of larger product line items in-house and is expected to add 12 additional employees by the end of 2027. At \$14 million, this is the largest investment the Village has seen since the construction of Progressive's Campus 2 in 1999. Economic Development Manager John Marquart has been working on this project for some time and it is a notable success for the Beta Overlay District that he spearheaded in 2021.

The Hilton Garden Inn at 700 Beta recently went into bankruptcy & receivership but may be acquired by H.A.T. Management, who own & operate a Hampton Inn in Mentor, a Fairfield Inn in Avon, a Comfort Inn in Concord, and the Red, Wine & Brew wine shops in Chesterland, Mentor, and Westlake. They are working to develop plans for renovation and we hope to welcome them to Mayfield Village in the near future.

Next door to the hotel, the former 700 Beta Conference Center has been leased by **Bella Vie by Marigold Catering**, an established catering and special events leader in the Cleveland area. After a refresh of the facilities, Bella Vie began booking events in the summer of 2025.

All continues to run smoothly in the Village, with all Departments working together to provide excellent services to our residents. We continue to offer the same robust entertainment, special events and recreation programs that we all appreciate and have come to eagerly anticipate. I know that I am looking forward to summer evenings at The Grove and this year's fireworks show. I am continually grateful to Parks & Recreation Director Shane McAviney and his staff for making it all work and for the assistance provided to them by our safety forces and Service Department.

We also continue to value our collaboration with the Community Partnership on Aging to supplement the senior services we offer in-house. As the Village's population continues to age, this partnership becomes even more important.

In the first quarter of this year, we lost two long-time Village employees to retirement. Building Department Executive Assistant Debbie Garbo and Police Detective Mark Justice both retired, after 24 and 32 years respectively. We are always sad to see our colleagues go, but we thank them for their dedicated service and wish them well in retirement.

Filling Debbie's shoes is Lisa Levine, who comes to us from the Brecksville-Broadview Heights School District and with previous municipal experience in Solon and South Euclid. Detective Justice has been succeeded by our own Chuck Pona, who has been a Mayfield Village Patrol Officer since 2016. Welcome to Lisa Levine and congratulations to Detective Pona on his well-deserved promotion.

While replacing people and income are always challenging, we strive to rebuild in the best interest of those we serve in Mayfield Village. We plan strategically to serve our needs now while building for the future. And while we cannot replace lost income all at once, we are growing, and more importantly, we are diversifying our economy one building block at a time. And we have the time to do it, thanks to our nest egg.

Mayfield Village Financial Position

Angie S. Rich, Director of Finance

Angie S. Rich
Director of Finance

The Village’s financial position continues to remain strong and experienced only a slightly decrease in 2025 compared to 2024. The 2026 budget includes several infrastructure projects that were previously deferred. Two of the largest projects, Beta Drive improvements and Phase 2 of the Worton Park Culvert Project, will foster economic growth and ensure public safety and welfare. The Village will continue to seek grants and other funding opportunities to offset the costs to pay for capital projects.

Income Tax Collections

For 2025, income tax collections, net of refunds of approximately \$93,500, totaled \$10,874,126. This amount is \$842,330 below our 2024 collections of \$11,716,456 and \$1,063,026 above our 2023 collections of \$9,811,100. Larger than normal bonuses and stock option conversions contributed to the significant increase in 2024 collections and were not repeated in 2025.

Income tax collections are derived from three sources: employee withholdings remitted by employers, direct payments from individuals, and net profit tax from businesses. The following chart shows a three-year comparison of income tax collections by source:

	Total Collections	Employer Withholdings	Individuals	Net Profit Tax
2025	\$10,874,126	\$9,295,242	\$646,212	\$932,672
2024	\$11,716,456	\$9,912,118	\$614,676	\$1,189,662
2023	\$9,811,100	\$7,100,693	\$602,512	\$2,107,895

General Fund

For 2025, General Fund revenue totaled \$17,438,403. This amount is \$1,005,273 below our 2024 revenues of \$18,443,676 and \$1,451,609 above our 2023 revenues of \$15,986,794. General Fund expenditures totaled \$18,939,495. This amount is \$3,057,123 above our 2024 expenditures of \$15,882,372 and \$3,143,369 above our 2023 expenditures of 15,796,126.

Our General Fund balance for the year has decreased by \$1,501,091 and is \$43,218,158 at December 31, 2025. This compares to \$44,719,249 at December 31, 2024, \$42,157,945 at December 31, 2023 and \$41,967,277 at December 31, 2022.

Actual vs Budget Comparison – All Funds

Total Village receipts at December 31, 2025 are \$18,750,352. This represents approximately 111.4% of our 2025 budget of \$16,828,511. Total Village expenditures at December 31, 2025 are \$19,365,266. This represents approximately 77.8% of our 2025 budget of \$24,905,773.

Debt

Total outstanding debt at December 31, 2025 is \$977,576.

Financial Position

The Village's financial position in 2025 decreased by \$614,914, or 1.2 percent, as compared to 2024. The table below reflects the changes in the Village's financial position in 2025 and 2024 as well as our budget projections for 2026.

Changes in Financial Position

	2026 <u>Budget</u>	2025 <u>Actual</u>	2024 <u>Actual</u>	<u>Change</u>
Receipts:				
Property Taxes	\$770,857	\$735,120	\$745,989	(\$10,869)
Municipal Income Taxes	10,740,000	\$11,140,404	\$11,939,344	(798,940)

Debbie Garbo Retires after 24 Years as the Building Department Executive Assistant

Debbie Garbo retired in February and is succeeded by Lisa Levine as the Building Department Executive Assistant.

Mayfield Village recently lost a long-time and beloved employee to retirement! Debbie Garbo retired, effective February 27, 2026, after running the Building Department for the last 24 years. Debbie also served as the Secretary to the Planning & Zoning Commission, Board of Zoning Appeals, and Architectural Review Board and many residents came to know her through that role.

Debbie was hired by then-Mayor Bruce Rinker after years of working at the Cleveland Clinic. She ultimately worked with three different Building Commissioners—Bernie Samac, John Marrelli and current Building Commissioner Dan Russell.

Taking over Debbie’s position is Lisa Levine, a Mayfield Heights resident who worked for the Brecksville-Broadview Heights School District and brought with her some municipal experience, working in the cities of Solon and South Euclid. Lisa is also a licensed real estate agent, bringing additional knowledge and experience. Debbie and Lisa worked closely together for three weeks to provide a seamless transition to this pivotal Village role.

Debbie was wished a fond farewell by Mayor Brenda Bodnar and many of her Village friends and colleagues at a retirement luncheon on her last day. As expressed by Mayor Bodnar, Debbie brought an “unmatched enthusiasm and professionalism” to the Building Department. Debbie will be missed by all and we wish her many years of happiness, health, good food and great wine with husband Victor, daughters Josette and Danielle, her three beautiful grandchildren, and her large extended family.

Debbie Garbo at her retirement luncheon.

Two Days, Once Simple Truth

Shane McAvinew, Director of Parks and Recreation

Shane McAvinew
Director of Parks & Recreation

Before we tell the story, let us just be honest about something we all witnessed:

Kids see an Easter egg... and they run.
No hesitation. No second thought. Just go.

Adults see an Easter egg... and we tell ourselves we are just going to casually walk over. Until we notice someone else also saw it. Then we walk a little faster. Then there's eye contact. Then, suddenly, this is no longer casual.

The adult hunt lasted less than 3 minutes to collect 500 eggs and yet, if you asked any one of them in that moment, they would still say, "I'm not competitive."

A few days apart, two Easter Egg Hunts took place here in Mayfield Village.

The first belonged to the kids.

If you have ever been to a kid's egg hunt, you know the scene. Buckets in hand, barely able to stand still, eyes locked in like they have trained for this moment their entire lives. The countdown starts and before it even ends, they are off. It is a blur of motion, laughter, and excitement. Eggs are scooped up as fast as they can move. Some miss a few, some find a lot but none of that really matters. What matters is how fully they jump into it. They do not think about it. They just go!

A few days later, it was the adults' turn.

And at first, it looked nothing like the kids' event. People arrived, grabbed a slice of pizza, some got their caricature or henna tattoo done while others stood around talking. The conversations were about work, family, and what was coming up next week. It felt like any

other relaxed evening with neighbors and friends, and no one looked like they were about to chase anything.

And then the hunt began to a traditional Easter song. At first everyone stared at each other but eventually someone spotted an egg! It was not dramatic, just a subtle shift in the moment. One person started toward it, and another noticed. There was that quick glance, part curiosity and part are we really doing this, followed by just a slight change in pace. Still walking just not quite as slowly as before.

Then someone else joined in, and before long, something familiar started to take over. Conversations faded, eyes began scanning the area, and people moved with a quiet sense of purpose, all while trying very hard to look like they were not. And then, without anyone officially saying it, over 60 adults were fully in it, circling the Gazebo, looking behind things, doubling back, laughing when they missed one and celebrating when they did not. Not quite running, but definitely not just walking anymore.

Over 60 adults joined in the Adult Egg Hunt this Easter, held outdoors at the Gazebo.

And here is where it got even better, because the fun did not stop at the hunt. After the hunt was over, friends lined up as if they were kids again, to get their picture taken with the Easter Bunny. Off to the side, you could see it happening. Adults were sitting down for henna tattoos and laughing as designs came to life. Nearby, the caricature artist was busy capturing exaggerated smiles and big personalities, creating

keepsakes that will last far longer than anything found inside an egg. If you look at the photos from the event, it tells the whole story. You will see adults with painted faces, holding up their caricatures, smiling in a way that feels a lot like they stepped into their childhood for just a little while.

Earlier that week, the kids had done the exact same thing. They just skipped the part where they pretended they were not going to. And that is really where the two events meet, because once the adults got past those first few minutes, it all started to feel the same. The laughter came easily, the excitement built quickly, and even that little competitive spark showed up right on cue.

What stood out most, though, was not who found the most eggs. It was what people found along the way. It was the laughter that came a little louder than expected, the chance to forget about everything waiting at home, and the simple joy of doing something just because it was fun. And maybe that's the best part of all. We do not actually lose that feeling as we get older, we just tuck it away for a while until something brings it back. Two different days and two different groups, but in the end not much difference at all. Because no matter how busy life gets, it only takes a moment to remind us that we are all still kids at heart.

Keep the Fun Going

If the Adult Easter Egg Hunt reminded us of anything, it is this: *fun does not have to be reserved for special occasions*. It is something we can choose again and again, in the everyday moments that bring us together.

That same laughter, that same energy, and that same feeling of "I did not know I needed this" is what we aim to create through our adult programs. Whether it is getting active, trying something new, meeting new people, or simply taking a break from the routine, there are plenty of opportunities ahead to keep that spark alive. Check them out:

- Trivia Night with friends, pizza, and a little friendly competition
- Adult Softball Leagues for both 18+ and 50+ divisions at Parkview Fields
- Adult Tennis Lessons for all skill levels at the Village courts
- Canvas Painting classes where creativity and fun come together
- Weekly Cards with games like bridge, pinochle, and canasta
- Adult Coed Soccer League for those who still want to get out and play
- Cooking with the Coordinator featuring simple recipes and hands-on fun
- Monday Morning Meetup with coffee, conversation, and community
- Pickleball Leagues and Bootcamps for all levels of play
- Crafty Tuesdays where you can relax, create, and connect
- Lunch and Learn sessions designed to inform and inspire
- Mother's Day Pancake Breakfast to celebrate with family and community
- Pizza Wars where you can taste and vote for your favorite

Staying young at heart is not about one night. It is about showing up, getting involved, and making time for the little things that make life a whole lot more fun.

Henna tattoos, caricatures and games (and pizza!) were all part of the fun at the Adult Easter Egg Hunt

USA 250th Anniversary

Paul Matias / Chief of Police

Independence Day, July 4, 2026, marks the United States' Semiquincentennial, our nation's 250th anniversary! I have spent most of my life wearing a uniform. From my days as a member of Boy Scout Troop 433, ten years of service in the United States Navy, and the past 27 years with the Mayfield Village Police Department, it has been quite a journey. The Semiquincentennial gives me an opportunity to pause and reflect on the amazing contributions and sacrifices of those who came before us. It also inspires hope for our future and the achievements of generations yet to come.

As you plan your summer, please enjoy all the activities in Mayfield Village. Events at the Grove, Cruise Night, the pool, and the Greenway Trail offer plenty to do. Our Inde-

pendence Day Celebration on June 27 will include a beautiful fireworks display done by professionals under the supervision of our Fire Department. Please remember to come early. The police will close vehicle access to Parkview and North Commons at 9:30 PM to prepare for the fireworks show.

Please remember, residential fireworks are illegal in Mayfield Village. The Mayfield Village Police Department wants everyone to have a safe and enjoyable 4th of July. We don't want to spend the holiday responding to fireworks complaints and issuing citations. Or worse, responding to damaged property and people injured by fireworks.

Please have a safe and happy Independence Day.

Paul Matias
Chief of Police

Raindate for Fireworks Only: June 28

Detective Mark Justice Retires from the Police Department after 32 Years of Service

Police Detective Mark Justice was presented with a Resolution of Council at the March 16, 2026 meeting to recognize his retirement after 32 years of service to Mayfield Village. Many family members and colleagues from the Police Department attended the meeting to witness Mayor Bodnar read the Resolution into the record.

Detective Justice began his career in Law Enforcement as an Officer with the Timberlake Police Department. On March 21, 1994, he was hired as a full-time Police Officer with the Mayfield Village Police Department, serving as a Patrol Officer, Traffic Officer, and Field Training Officer. In 2011, Detective Justice was assigned to the Mayfield Village Detective Bureau, where he received numerous commendations for his investigatory skill and attention to detail. Detective Justice served over 28 years on the SPAN Accident Investigation Unit as an accident reconstructionist and unit commander. While serving on the unit, he investigated over 115 serious and fatal accidents and assisted with six serious crime scenes.

Detective Justice was commended for his years of dedicated service. We all wish him health and happiness in retirement.

Mayor Bodnar presented Detective Mark Justice with a Resolution of Council recognizing his retirement after 32 years of service.

Mark Justice's ID photo from 1994, when he first joined the Mayfield Village Police Department.

Chief Paul Matias and many fellow officers and co-workers attended the Council meeting to honor Detective Mark Justice and congratulate him on his retirement.

Firefighters Recognized by Cleveland Clinic

Eugene Carcioppolo / Fire Chief

At the March 16, 2026 Council meeting, Fire Department members were recognized for their life saving efforts on two specific EMS incidents by our Cleveland Clinic Foundation Medical Command including Dr. Jill Mohr and EMS coordinators Joseph Micallef and James Mcgrath.

Lt. Jason Brothers and Firefighters Dave Soriano, Kyle Schrieber, Ben Gruber, and Tim Grote were recognized for their early recognition of stroke symptoms on a driver involved in a motor vehicle accident. Their early recognition, corresponding care and timely relay of information and transport to the hospital resulted in an under 30-minute door-to-needle time which is critical in restoration of blood flow to the brain to limit the damage to cerebral tissue.

Lt. Jason Brothers, FF Kyle Schreiber and FF Dave Soriano attended the March 16th meeting to receive their recognition from the Cleveland Clinic.

Firefighters Cameron Green, Steven Drop, Timothy Byrne, Ben Gruber, and David Johnson were recognized for their administration of Advanced Cardiac Life Support (ACLS) care for a patient being transport-

Spring 2026

ed from a doctor's office. During the transport, FF Green identified a change in the patient's mentation and hailed assistance from the driver and other response crews, who ultimately responded to assist FF Green and FF Drop with the care for the patient that had deteriorated into cardiac arrest. Ultimately, this patient was treated and released home within several days and is now a survivor of a life-ending cardiac arrest with no neurologic deficit.

These positive outcomes are made possible by our department members' dedication to their positions through training and education which is provided by Dr. Jill Mohr and her staff, MV Dispatch who provide our crews with pertinent dispatch information, MV

Police who assist on emergency calls, our Executive Assistant, Jen Schultz, who assists with quality management of our incidents, and the financial support of Administration and Council. I am fortunate and proud to serve the dedicated members of this fire department knowing that they are here to provide this level of care to the residents of this community.

Eugene Carcioppolo
Fire Chief

FFs David Johnson, Tim Byrne, Steven Drop and Cameron Green were also recognized by the Cleveland Clinic for administering Advanced Cardiac Life Support.

Springtime Reminders:

- Replace the batteries in your smoke alarms.
- Ensure you have a working carbon monoxide alarm and review fire safety with your family.
- Remember two ways out of the different spaces in your home, crawling low below smoke, checking doors for heat before opening and planning a common meeting place outside your home.

We are here to help. For guidance, call 440-461-1208.

Leaf Mulch Available

Frank Stupczy, Service Director

Every May, the day after Mother's Day, our Service Department begins filling orders of leaf humus throughout the Village. If you've been living in the Village for a while, our free leaf mulch is no secret to you and I'm sure you've already secured your spot in line. If you're new to Mayfield, however, you may not know about this service or what, in fact, leaf humus is.

Last fall our service employees collected over 1,300 tons of organic yard waste from the residents of Mayfield Village through the use of tow-behind leaf vacuum trailers. The collected leaves are ground in a tub-grinder, which breaks down and combines the leaves and yard debris into a uniform organic leaf humus or leaf-mulch. The humus is piled into windrows at our Service Garage site where it is monitored for temperature and turned over at regular intervals throughout the winter until spring. The resultant product is our Village own leaf humus.

There are many benefits to using leaf mulch in the yard and garden. It can be used as a bed cover, used in addition to normal wood chips or as an alternative altogether. Leaf humus is a great soil conditioner in garden beds and new plantings. Leaf humus is known to improve soil structure and increase moisture retention in the garden and soil structure.

Organic soil life from microbes to insects utilize the organic humus which serves to enhance plant growth and health both above and below the soil line.

You can order up to four yards of free leaf mulch through our Service Department. We will be delivering orders of mulch until mid-July or as supplies last. Call 440-442-5506 to place your order today. We are able to accommodate residents who wish to pick up their leaf humus at our building, but some restrictions apply. Please call to get more information

Home is Where the Trees Are

Lisa Lesner, Service Department Executive Assistant

Celebrating Arbor Day and Our Growing Community - Nine Years Running

Lisa Lesner
Service Dept.
Executive Assistant

Our journey began with a simple goal—to invest in the long-term beauty and the health of our village. It’s a great reminder that small everyday choices, like recycling and reducing waste, help to protect the environment that trees depend on. Thanks to the efforts of local leaders, volunteers, and residents, we’ve planted and cared for trees, created thoughtful policies, and built a program that continues to grow year after year.

In Mayfield Village, our trees are part of what makes this place feel like home—and we’re proud to celebrate nine consecutive years as a Tree City USA community. This national recognition highlights our shared commitment to keeping our tree canopy healthy, vibrant, and growing strong for generations to come.

Trees do so much for us! They provide shade on sunny days, help clean our air, re-

duce stormwater runoff, and make our streets and parks more beautiful and welcoming.

The Tree City USA program, led by the Arbor Day Foundation, honors communities that actively care for their public trees. To earn and maintain this designation, communities must meet four key standards: maintain a tree board or department, have a tree care ordinance, dedicate an annual forestry budget, and celebrate Arbor Day each year.

Being recognized as a Tree City USA Community reflects the pride we take in our environment. It’s also a signal to residents, businesses, and visitors that Mayfield Village values sustainability, natural beauty, and a high quality of life.

Emergency Preparedness Tips

Our local CERT has developed a series of emergency tips for residents called “do 1 thing” that we are happy to share in the VOV. Watch for a tip in every issue.

do 1 thing: Power

Be prepared to meet your basic needs during an electrical outage:

Power outages are emergencies that often result from other emergencies. Do not underestimate the need to be prepared for them.

Follow these safety guidelines for power outages:

- *Discard food if your refrigerator or freezer temp exceeds 40°F degrees for more than 2 hours.*
- *Stay away from downed power lines and anything they may be touching.*
- *Never drive over downed power lines; they may be energized.*
- *Using charcoal or gas grills inside a structure is deadly. Carbon monoxide kills!*
- *Never leave candles burning unattended.*

www.TriCommunityCERT.com

Looking Ahead to Summer

Caitlin Kelly / Recreation Program Manager

Caitlin Kelly
Program Manager

As we head into the warmer months, we are looking forward to another great season of summer programming. With a mix of new and returning events, there are plenty of opportunities for residents to get out, enjoy the community, and take advantage of what the Village has to offer.

We are excited to introduce our **Kid's Summer Entertainment Series at The Grove**. This is the first year of the program, and the goal is to give families an easy, fun way to get out during the week and enjoy some live entertainment together at The Grove. We have two performances scheduled this year:

- **Jumpin' Jamie on Tuesday, June 16 from 1-2 PM**, a high-energy children's performer who combines music, movement, and storytelling to get kids involved and engaged.

- **Ta-Da the Magician on Tuesday, July 14 from 1-2 PM**, an interactive magic show filled with humor, audience participation, and plenty of surprises.

We are also excited to bring back **Pizza Wars** for its second year. The event will take place on Wednesday, July 1 from 11:00 AM-1:00 PM at the Gazebo alongside our Lunchtime Concert Series. After a successful first year, we are looking forward to building on that and continuing to grow the event.

Pizza Wars gives residents the chance to sample pizza from local restaurants in a blind taste test and vote for their favorites. It's a fun, enjoyable event, and it's been a great way to experience local businesses while bringing the community together.

Both programs are about creating opportunities for residents to connect. Whether you're coming out for a show or stopping by Pizza Wars for lunch and music, they're easy ways to get involved. We're looking forward to seeing everyone at The Grove and Gazebo this summer!

Mayfield Village Parks & Recreation

KID'S SUMMER Entertainment AT THE GROVE

JUMPIN' JAMIE
TUESDAY, JUNE 16
1:00-2:00 P

A high energy children's performer bringing fun, interactive "kindie rock" to audiences of all ages. Known for catchy songs, movement, and playful storytelling, Jamie has entertained families everywhere. With music featured on Sesame Street and PBS, Jumpin' Jamie creates an engaging, upbeat experience that encourages kids to sing, dance, and laugh along.

TA-DA THE MAGICIAN
TUESDAY, JULY 14
1:00-2:00 P

Ta-Da the Magician brings laughter and fun to audiences of all ages with a fast-paced magic show designed especially for kids and families. With audience participation, and plenty of humor, Ta-Da's performance keeps kids engaged. This family-friendly show promises surprises, and plenty of "ta-da" moments for everyone in attendance.

Celebrating Older Americans Month

Wendy Albin Sattin / Executive Director

Wendy Albin Sattin
CPA Executive Director

CHAMPION YOUR HEALTH: MAY 2026

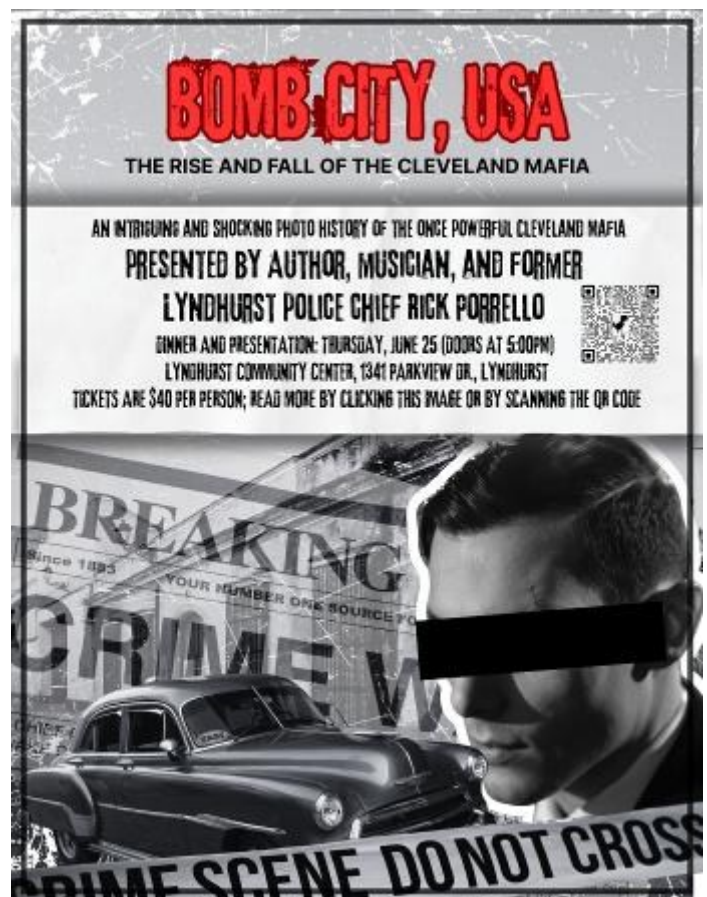

Every May, the Administration for Community Living (ACL) leads the nation's observance of Older Americans Month, a time to honor our older Americans. Join Community Partnership on Aging's celebration at our annual Older Americans Month luncheon on May 28 at noon at the Mayfield Village Civic Center. On the menu are BBQ chicken sliders, coleslaw and cake,

homemade by our own Mary Beth. It is free to attend but spaces are limited. Call 216-650-4029 to reserve your spot. The 2026 theme, **Champion Your Health**, focuses on prevention, wellness, and personal responsibility as cornerstones of healthy aging. It encourages taking an active role in managing your own health, advocating for yourself, accessing preventive care, and making informed decisions that support independence.

How can you take charge of your health? With CPA, of course!

- Stay up to date on preventive care and screenings. We provide numerous opportunities throughout the month for blood pressure checks and podiatrist appointments.
- Build and maintain social connections that support emotional well-being. Come for a program, stay for lunch four days a week! Or get some friends together and come to **Bomb City, USA, our summer fundraiser on June 25**, to learn about the rise and fall of organized crime in Cleveland.
- Choose nutritious, minimally processed foods. Check out Nutrition 360 with Mary Beth- topics range from Inflammation Fighting Foods to Living Without Salt and more.
- Incorporate regular physical activity to maintain strength and mobility. Line dancing, Walking Club, Yoga, or Cardio drumming anyone? CPA provides a range of activities- check out the newsletter and find a new class to try. NEW! Senior Strength training at the University Heights Library on Thursdays at 2pm and Tai Chi with Tom in Gates Mills on Thursdays at 10am starting May 28.
- Practice daily habits that support mental health and resilience. Focused activities like Tai Chi, Woodcarving, Crooners and Yarn Arts keep you centered and balanced.

You can check out everything the CPA offers in our monthly newsletter located in many sites around Mayfield Village including the Community Room or online at www.communitypartnershiponaging.org

Village Recycling Has Room for Improvement!

The Cuyahoga County Solid Waste District tracks the annual recycling rate of all the communities it serves. They track the percentage of the total residential waste collected for recyclable materials (metals, glass, plastic, cardboard and paper) as well as for composting (yard waste, leaves, grass and brush).

In 2024, Mayfield Village recycled 60% of total residential waste. That percentage is higher than many communities but, if you dig deeper, 54% was due to yard waste collected as part of the Service Department’s leaf mulch program, which most communities don’t have. When it comes to recyclable materials that residents put in their totes, the Village’s recycling rate was only 6%.

As a reminder, on the following pages is a Quick Guide to the current list of recyclable items accepted by Kimble as well as information on items that need special handling. Below are the recycling rates of some other east-side communities, to provide some context. Please do your part to recycle more!

Community (2024)	% of Recyclable Materials	% of Compostable Yard Waste	Total Recycling %
Mayfield Village	6%	54%	60%
Beachwood	13%	23%	36%
Highland Heights	10%	30%	40%
Lyndhurst	11%	26%	37%
Mayfield Heights	14%	7%	21%
Moreland Hills	22%	15%	38%
Pepper Pike	10%	16%	26%
Richmond Heights	8%	21%	29%
South Euclid	9%	45%	54%

CLIP AND SAVE FOR FUTURE REFERENCE

RECYCLING IN MAYFIELD VILLAGE - Quick Guide 2026

THE BASICS:

- "WHEN IN DOUBT, THROW IT OUT!" Don't contaminate the recycling stream with items that are not accepted.
- Don't put recyclables in bags. Keep them loose in your large curbside toter.
- Do not leave food or liquid in containers. They do not have to be bone dry, but nothing that drips or is greasy or dirty.
- No hazardous waste. Save these items for the Village's hazardous household waste collection, four times per year.

RECYCLABLES CURRENTLY ACCEPTED BY KIMBLE

METAL	GLASS	PLASTIC	CARDBOARD	PAPER
<p>Aluminum & Steel Cans, Bottles and Cups Only</p> <ul style="list-style-type: none"> • Empty and rinse • Okay to leave label on • Place lid inside can • Plastic liner in can okay <p>No aerosol cans No aluminum foil or pie plates</p> <p>Uncrushed cans preferred (will accept either way)</p> <p>No scrap metals</p> <p>No needles—place in container before placing in regular trash</p>	<p>Bottles and Jars only, any color (neck must be narrower than body—even slightly is okay)</p> <ul style="list-style-type: none"> • Empty and rinse • Okay to leave label on • Jar lids okay, dispose separately from jar • Bottle caps too small (place in trash) <p>Unbroken bottles preferred (will accept either way)</p> <p>No Pyrex, drinking glasses, measuring cups, etc. (made from a different grade of glass)</p>	<p>Bottles and Jugs only</p> <p>Ignore numbers on bottom—they are a resin code and no longer relate to recycling</p> <p>Plastic spray bottles—discard nozzles and pumps in regular trash</p> <p>No plastic bottles or jugs that once held hazardous materials</p> <p>No clam shell (see-thru) plastics like produce or pastry containers</p> <p>No restaurant take-out containers or utensils</p> <p>No grocery bags (recycle at the grocery store with clear film and other stretchable plastics, like dry cleaning plastic)</p>	<p>Flatten all boxes!!</p> <p>Okay to have tape or shipping plastic on boxes</p> <p>Need to be empty, dry and flat (greasy boxes go in regular trash)</p> <p>Food boxes like cereal, pasta, cake mixes, etc. are accepted, even with plastic window</p> <p>Waxy liners in food boxes go in regular trash</p>	<p>Newspaper & Magazines</p> <p>Glossy paper</p> <p>Envelopes with clear plastic windows</p> <p>Paper egg cartons</p> <p>Tubes from toilet paper and paper towels, but not used toilet paper or paper towels</p> <p>Molded paper fiber used as shipping material</p> <p>Frozen food boxes (this is a recent change)</p> <p>No cartons from milk, juice, broth or similar accepted</p> <p>No shredded paper (place in paper bag and dispose of in bins at Metroparks and many churches)</p>

RECYCLING IN MAYFIELD VILLAGE

ITEMS **NOT** CURRENTLY RECYCLED BY KIMBLE

- Styrofoam
- Cartons from Milk, Juice, Broth, etc.
- Clam-Shell (see-thru) plastic containers from groceries
- Broken or Unwanted Ceramics
- Durable Plastics (like toys)
- Restaurant Take-Out Containers & Plastic Utensils
- Solo and other Plastic Cups
- Hoses, Ropes & Chains
- Aluminum Foil/Pie Plates
- Aerosol Cans
- Caps from Glass Bottles
- Spray Nozzles & Pumps
- Liners from cereal, cake mix box, or similar
- Glass that is heavy grade: drinking glasses, Pyrex, measuring cups
- Containers that previously held hazardous materials
- Items made from mixed materials (example, a Pringles can is made from paper, aluminum foil, has a metal bottom and a plastic lid)
- Unused medication (drop off at the Police Dept—never put down the drain)
- Needles or syringes (place in container and in regular trash)
- Pill bottles (can be donated at m25m.org or upcycleparts-hop.org)
- Plastic bags, film, wrap, shipping envelopes, bubble wrap (take to grocery store)
- Latex Paint (should be dried out and placed in regular trash)
- Christmas Lights
- Shredded Paper
- Plastic Tubs from butter or similar
- Wire or plastic hangers
- Foil Wrapping Paper

ITEMS THAT REQUIRE SPECIAL HANDLING

In cooperation with the Cuyahoga County Solid Waste District, Mayfield Village holds quarterly Recycling Events for residents at the Service Department, 601 SOM Center Road (see mayfieldvillage.com for details).

Computer Roundup: CPUs, monitors, keyboards, printers, terminals, modems, cables, software, cell phones and all accessories. All equipment will either be refurbished and donated to schools or dismantled for recycling. Hard drives are erased of all data to protect your confidentiality.

Hazardous Waste Roundup: Oil or solvent based paint (liquid and aerosol) and related products, including sealers, primers, coatings, varnishes, polyurethanes, shellacs, paint thinner, mineral spirits, turpentine, and spray paint. Latex paint will not be accepted and should be dried out and disposed of with your regular trash.

Miscellaneous Waste: Pesticides (bug and rodent killers), herbicides (weed killers), insecticides (bug killers), fungicides (mold killers). **Auto-Cleaners** including oven cleaners, drain cleaner and muriatic acid. **Automotive Products,** adhesives, roof tar, driveway sealer, motor oil, kerosene, gasoline, lighter fluid, car batteries. Compact **fluorescent bulbs** can be taken to Home Depot or Lowe's; long tubes to Batteries Plus in Mayfield Heights (batteriesplus.com/recycling).

Old clothing, shoes, pillows, linens, house hold items and other soil recyclables can be recycled through Simple Recycling. Bag your items and schedule a FREE pickup at simple-recycling.com or call 866-835-5068. Details about accepted items can be found on their website.

COMPOSTING MADE EASY! Turn your food scraps into soil and help stop the production of powerful greenhouse gases. Dropoff location at Mayfield Village Civic Center parking lot. Visit rustbeltriders.com or call 216-800-7651(Ext 2) to become a member.

If you are unsure if something is recyclable, visit CuyahogaRecycles.org or call 216-443-3749.

HOW TO HANDLE A SEWER BACKUP AT YOUR HOME

CUYAHOGA COUNTY, *Ohio*

For more than 40 years, Mayfield Village has contracted with Cuyahoga County and its Public Works Department to provide maintenance and repair of the sanitary sewers located in the right-of-way and the five pump stations located within the Village. A Maintenance Fund has been established and is funded through property tax assessments.

If residents experience a backup in a sanitary sewer line, slow running drains, gurgling, etc., call the Service Department at 440-442-5506 to report the problem. If the issue occurs after hours or on a weekend, call the non-emergency Police line at 440-461-1234.

The Service Department or the Police Dispatcher will contact the County to come out to make sure there is not a blockage in the sewer lines in the right-of-way. If there is no blockage in the right-of-way, the County may jet the sewer line from the main to the house to clear any blockage there, including cutting through tree roots that may be obstructing the line. Please note that if tree roots are infiltrating your sewer line, there is likely a break or a separation in the pipe that is allowing the roots to get in. Any needed repairs are the responsibility of the homeowner and you must contact a plumber. The County will not perform any repairs on private property.

Also, please note that the County will not come out to perform any type of annual maintenance or jetting of lines. The County will not respond to calls directly from residents as all requests for assistance must come through the Village. Thank you for following these important guidelines.

Mayfield Village Parks and Recreation

End of Summer Celebration

Parkview Pool

August 8, 2026 • 11:30-5:00 P

Wrap up summer with this annual event solely for Mayfield Village Residents (and their guests) and Season Passholders event at Parkview Pool! Enjoy free swimming, games, activities, food and music throughout day.

Activity Schedule

• Jungle Bob	12:00-3:00 P

The Mayfield Village Garden Club is committed to encouraging and supporting gardening, flower arranging and civic beautification as well as both environmental and horticultural education. For more information and Club membership, email MVGC2024@gmail.com.

Sunday, May 10 from 8:30 to 12:30 PM

Mother's Day Plant Sale/Garden Shop

The Mayfield Village Garden Club will host its annual Plant Sale/Garden Shop during the Mother's Day Pancake Breakfast at the Civic Center.

Thursday, July 16 from 1 to 2 PM

Gold Star Dedication

The Garden Club will dedicate a Gold Star Marker to honor fallen members of the U.S. Armed Forces at the Civic Center.

For more information, contact Patsy Mills at 440-449-4922 or Jean Britton at 440-221-1975.

Mayfield Women's Club GFWC/OFWC

The Mayfield Women's Club is a 501(c)(3) local service club whose purpose is to bring together women in an organization to benefit others and themselves by promoting civic, cultural and social welfare. We work to improve our community through charitable giving and volunteer service. Members raise money and give in-kind donations to a number of individuals and organizations to help them further their missions.

Meetings are held the third Monday/month at 7:00 pm at the Community Room unless otherwise noted:

May 7 Walk the Greenway Trail

10:30 AM from the Mayfield Village Pool (meet in parking lot) to the Mayfield Library. Lunch to follow at Mario Fazio's on Chardon Road. Email us your reservation to: mwcinc.gfwc_ohio@yahoo.com

June 13 Annual Meeting & Member Installation Banquet

For further information on meetings, programs, social events, and membership: Email us at: mwcinc.gfwc_ohio@yahoo.com. See us on Facebook at: Mayfield Women's Club, Inc. GFWC/Ohio.

This year's Women's Club Middle School Essay winners were Gio Murray, Preksha Sethia and Ani Gaboyan.

The Mayfield Township Historical Society

Happy 50th Anniversary to the Historical Society formed in 1976 and Happy 250th Birthday to America. Stay tuned for special activities later in the year celebrating these milestones. Thank you to Mayfield Village recognizing our 50th anniversary with a special proclamation. Having partnerships with our four communities is a wonderful plus.

Save the Date. Our Ice Cream Social is on Wednesday, August 12 from 6:30-8 p.m. at Wiley Park, 606 SOM Center. In the house we will feature a special display of our history and then travel out back to make your sundae in the pavilion. \$3 adults and \$1 kids.

Don't miss our May 13 meeting where we are partnering with The Mayfield Library to present "The Golden Age of Hollywood" at 7pm. Please note it is at the MAYFIELD LIBRARY location. So much gossip! So little time! The Women in History group brings you the renowned gossip mavens, Hedda Hopper and Louella Parsons, as they

take us on a journey through the Golden Age of Hollywood. (Sorry, no hair pulling allowed!) The program will have some audience interaction!

We will be passing out our 2026-27 schedule in June at Village events, gazebo concerts or you can pick one up at the Civic Center. Our meetings are held on the second Wednesday of the month at the Community Room, at 7 pm, and are free to the public. You don't have to be a member to attend or RSVP. Meetings are held from September to Dec and again from February to May. Bring a friend to hear our interesting speakers.

Please like our Facebook page: Mayfield Township Historic Society for announcements and upcoming events. Consider becoming a member to support us: \$15 single \$25 family. If you can help pass out schedules, do some light weeding once a month or help in the research library with our collection, please call 440-461-0055 with your information.

Mayfield Township Historical Society Celebrates 50th Anniversary

At the March 16th Council Meeting, Mayor Brenda Bodnar presented Historical Society President Joan Gottschling and Secretary Lorry Nadeau with a Proclamation in honor of the Historical Society's 50th Anniversary.

Mayor Bodnar noted that the Historical Society has been an integral part of Mayfield Village for the last 50 years, participating in many annual events and enriching the community. She recognized the Historical Society officers and volunteers for their tireless dedication to learning about and sharing our local history and imparting their wisdom upon the young people of our community.

Community Recycling

In cooperation with the Cuyahoga County Solid Waste District, Mayfield Village sponsors quarterly week-long recycling events.

Residents Can Drop off old Computers, Scrap Tires and Household Hazardous Waste at the Service Department
610 SOM Center Road

July 18-25
October 17-24

For information about items accepted for recycling, please call 440-442-5506 or visit the Service Department tab at <https://mayfieldvillage.com>

Heritage Home offers assistance and low-interest loans to residents with homes over 50 years old. Visit mayfieldvillage.com or heritagehomeprogram.org for details.

Recycle old clothing, shoes, pillows, linens, household items and other soft recyclables through Simple Recycling. Bag your items and schedule a FREE pickup at simplerectycling.com or call 866-835-5068. Details about accepted items can be found on the website.

COMPOSTING MADE EASY! Turn your food scraps into soil and help stop the production of powerful greenhouse gases. Drop-off location at Civic Center Parking Lot. Visit rustbeltriders.com or call 216-800-4651(Ext 2).

American Red Cross | Blood Services

The need for blood continues and patients need your help. Donation sites continue to operate, including here at the Civic Center in Mayfield Village, 6622 Wilson Mills Road.

Upcoming dates include:

May 13 from 12-6 pm
June 2 & 18 from 12-6 pm
July 9 & 22 from 12-6 pm

See www.redcrossblood.org for other local locations. Please note that appointments are required. Make an appointment online or call 1-800-REDCROSS (800-733-2767).
