A Tribute to First Responders

Memo from the Mayor / Mayor Brenda T. Bodnar

Mayor Brenda T. Bodnar

On September 11, 2026, Mayfield Village paid tribute to the First Responders who lost their lives on September 11, 2001. The 25-year anniversary event took place at the First Responders Memorial Trailhead located next to the Fire Station. The First Responders Memorial includes a structural piece of steel from the fallen World Trade Center Twin Towers. Mayor Bodnar spoke at the event and her comments are reproduced here.

Certain dates mark defining moments in the United States.

- July 4, 1776: the day our forefathers signed the Declaration of Independence.
- June 21, 1788: the date the Constitution was ratified and became the official framework of our democracy.
- August 9, 1935: the day the Social Security act was passed.
- August 25, 1916: President Woodrow Wilson signed the National Park Service Organic Act, creating our national parks system.
- July 20, 1969: the day Neil Armstrong became the first man to walk on the moon during the Apollo 11 mission.

Yet for all of these positive moments, there are also darker moments which mark our trajectory.

The assassinations of four American presidents, Abraham Lincoln, James A Garfield and William McKinley, both Ohio's native sons, and John F. Kennedy.

And, of course, what brings together today—

September 11, 2001: the unprecedented attack on America by foreign terrorists. Until that date, many of us believed or assumed that we were safe on American soil. 9/11 taught us that the tentacles of foreign terrorism had reached the land of the free. It taught us that terrorism seeks out everyone under the American flag, regardless of party, creed or culture.

A burnt and twisted steel beam from the fallen World Trade Center in New York is displayed at the Mayfield Village First Responders Memorial Trailhead.

On Sept 11, 2001, four flights took off, each one harboring terrorists whose intention it was to attack Americans, our infrastructure and the very institutions of democracy on which we are founded. American Airlines Flights 11 and 175 crashed into the North and South Towers of the World Trade Center. A few minutes later, American Airlines Flight 77 crashed into the Pentagon. And on Unit-

A Tribute to First Responders, continued.

ed Airlines flight 93, courageous passengers took action to down the plane in Pennsylvania, knowing that, had they not done so, the terrorists on board would have crashed the plane into our capital, claiming far more lives.

Mayor Bodnar was a featured speaker at the 9/11 Memorial Event.

The total death toll on 9/11 was nearly 3,000 people, and rose significantly in the days and months and years that followed.

But as a result of 9/11, things happened that changed the script from what the terrorists intended. In truth, we are not defined by the moments that harm us. Instead, we are defined by our response to those difficult times.

9/11 brought us together as a Nation and tapped into our collective patriotism and courage. It is on that day that Americans gathered in places of worship, and in parks, town halls and school auditoriums, not only to mourn the loss of the victims, but to reestablish the bonds of friendship and neighbors that unite and strengthen us as citizens of this democracy.

Most significantly, on Sept 11, 2001, firefighters, paramedics and police officers rushed through clouds of toxic smoke, dust and flying debris ***toward*** the World Trade Center Twin Towers, while others, frantically trying to escape, ran away from them. First responders, aided by citizens of every race, creed and culture, put their own needs aside to rescue others, many giving their own lives to save strangers.

They say fools rush in where Angels dare to tread. On September 11, 2001, our first responders were not Angels. ***To be certain, they were saints.*** The steel beam which anchors our Memorial has many heroic stories to tell, but it cannot speak on its own. And so, we have our first responders here today to tell its story, to help us to remember the horrific attack on America, and the extraordinary courage and sacrifice that rose up from the ashes to reveal the steely strength of all Americans.

Mayfield Village Police Chief Paul Matias and Fire Chief Eugene Carcioppolo also spoke of the sacrifices of First Responders to the crowd that assembled for the Memorial Event.

That courage and sacrifice thrive today. We see it here in Mayfield Village in the spirit and actions of our own first responders – men and women who voluntarily place themselves in harms' way to keep the peace, protect us and provide emergency care in our times of need. Men and women whose skill, integrity and professionalism serve us every day, 24/7. And so it is appropriate that we take this time out to recognize their dedicated service, and the dedicated service of all first responders. We owe you a debt of gratitude that can never be repaid.

Thank you.

Brenda T. Bodnar

2026 Outstanding Citizens Honored by Mayor Bodnar

On Friday, September 18th, Mayfield Village hosted its annual Volunteer Appreciation Dinner at the Community Room. At this event, the Mayor traditionally presents the Outstanding Citizens Award to deserving residents (and sometimes non-residents).

This year's honors went to long-time Village residents **Marilyn and Arther Goldstein,** who have lived on Derby Drive since 1984. In those days, the Village hosted "Village Days" and Art and Marilyn were very involved in the planning of that annual carnival event. Marilyn also served on the Activities Committee and the Beautification Committee, and both Marilyn and Art have served on the Citizens Advisory Committee. Marilyn remains an active member, rarely missing a meeting and always offering an honest perspective on issues that affect Village life. Over the years, Art has provided musical flare, dignity and joy to many Village events, from festive music to patriotic numbers, and taps on more solemn occasions.

Marilyn & Art Goldstein were honored as this year's Outstanding Citizens.

Danielle Echt with Mayor Bodnar after receiving the Outstanding Citizen award.

This year's party theme was 1970s Disco! Shane McAvinew was not only named an Outstanding Citizen, but won a prize for having one of the best costumes!

The next honoree was **Assistant Recreation Director Danielle Echt**. Danielle has worked in the Village for 26 years and helped to develop a Recreation Department that barely existed in 2000. Over the years, Danielle has demonstrated not only a passion for recreation, but she has a special place in her heart for individuals with special challenges. Because of her efforts, the Village is proud to have robust adaptive programs and an all-abilities playground.

Finally, **Shane McAvinew** was honored for the changes he has brought to Mayfield Village in his ten years as **Parks & Recreation Director,** upgrading programming and starting new traditions. As Mayor Bodnar remarked that evening, "Most significantly, Shane has taken The Grove to new heights, bringing a wide variety of top-tier entertainment to our humble stage, enhancing our facilities, and giving Mayfield Village a new definition of the good old summertime, all while keeping in the spirit of the Village."

Congratulations to all the 2026 Outstanding Citizens!

Update on Hometown Heroes Banner Program in Mayfield Village

Mark Arndt / Ward 2 Council Member

Mark Arndt
Ward 2 Council Member

In the summer issue of the VOV, I wrote an article suggesting that Mayfield Village establish a Hometown Heroes Banner Program and asked residents to let us know if they would be interested in participating. I am pleased to report that we received much positive feedback and are moving forward to get the program in place in 2027.

I attended the September Citizens Advisory Committee meeting to discuss with residents some of the parameters of the program. We agreed on the following basics:

- The banners will honor active, retired or deceased service members.
- There must be a Mayfield Village connection to be able to purchase a banner—a current or former Village resident or their immediate family.
- The banners will be displayed from Memorial Day through Veteran's Day.
- The banners will be displayed for two consecutive years and then provided to the person purchasing it.
- The banners will be placed on poles along SOM Center Road only, from the center of town to The Grove and the Village's recreational area.
- Photos must be of the Hero in a military uniform.
- The Hero must have served in one of the following branches of military service: Army, Navy, Air Force, Marines, Coast Guard, Space Force, Reserve or National Guard.
- Photo requirements will be determined after more information is received from the banner printing program.

We are still working to determine the final cost for the banners and plan to have an application prepared by January 2027 with the goal of hanging our first set of banners by Memorial Day. If you are interested and have not yet gotten your name on the list, just send an email to contactus@mayfieldvillage.com so we can send you an application when it's ready.

Be a Considerate Dog Owner - It's the Law!

Diane A. Calta / Law Director

Diane A. Calta
Law Director

Many of us are proud and loving dog owners and know how to take good care of our pets. We should also strive to be *considerate* dog owners. Not only will your neighbors appreciate it, but it is also the law in Mayfield Village. Violations can subject animal owners to penalties, including misdemeanor and felony charges.

Mayfield Village Codified Ordinance Chapter 505, "Animals and Fowl" sets forth the responsibilities of pet owners. There are two primary categories that are most likely to result in charges or financial penalties:

1. Damaging Property or Creating a Health Nuisance.

MVCO Section 505.07 provides several things:

- "No person who is the owner of an animal shall permit such animal to damage, destroy or deface any publicly owned property or the premises of another, or permit such animal to urinate or defecate thereon. That includes depositing any animal defecation in any street, lane, alley, tree lawn or sidewalk or other public ground or place within the Municipality."

What does this mean? When you are walking your dog, you must carry plastic bags and clean up after them.

- "No person shall cause or knowingly permit a nuisance by keeping or harboring any animal in the Municipality so as to create offensive odors, excessive noise or unsanitary conditions which are a menace to the health, comfort or safety of the public...or existence of a nuisance."

This means you must keep your yard clear of pet feces so as not to create an unsanitary condition or nuisance.

- "No person, being an owner, tenant, agent, occupant, or person in control of any property, shall cause or knowingly permit a nuisance by providing food for feeding any stray dog, cat or other wildlife, including but not limited to skunks, deer or coyotes."

I think that part of the Ordinance speaks for itself.

Whoever violates any provision of Section 505.07 is guilty of a minor misdemeanor.

My dogs, Poppy (2 years old) and Winnie (11 years old).

2. Failure to Control

MVCO Section 505.08 provides that "No owner or person in charge or control of a dog, or owner or person in charge of a premises on which a dog is located, shall fail to control a dog within the Municipality."

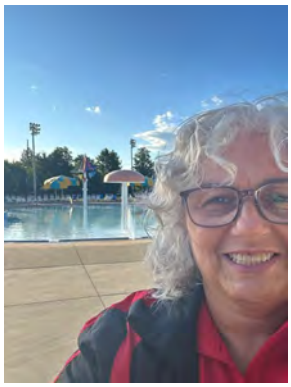

Failure to control includes:

- Allowing your dog to run at-large or walking your dog without a leash;
- A dog that causes a noise disturbance by barking, whining, howling, etc., if the sound travels beyond your property;
- A dog that scratches, digs, defecates or causes any damage to someone else's property, unless you immediately repair the damage or remove the defecation.;
- Allowing a dog to chase or approach a person in a menacing fashion or attempt to bite or otherwise endanger a person or animal;
- Allowing a dog to bite or inflict injury to a person or another dog or animal; or
- Allowing a dog to kill or cause serious injury to a person or another dog or animal.

Penalties for failure to control range from misdemeanors to felonies and can also result in prosecution under State Law and/or civil actions. See the full language of Chapter 505 at mayfieldvillage.com.

Summer at Parkview Pool: More Than a Swimming Pool

Annemarie Finch, Parkview Pool Manager

Annemarie Finch
Parkview Pool Manager

Summer at Parkview Pool is about so much more than swimming. It's about community, connection, safety, and creating memories that last long after the season ends.

Swim Instructor Fatima shows how it's done, while her apprentice keeps the floaties ready just in case

From swim lessons and water exercise to finding a place to work, relax, or meet up with friends and family, Parkview Pool offers something for everyone. It's a place where neighbors become friends, families spend quality time together, and guests of all ages can enjoy the best of summer.

What truly makes Parkview Pool special is its people. Instructors, lifeguards, front desk personnel, and maintenance staff welcome guests with a smile and take the time to learn their names, recognize their swimming abilities, and build relationships with families. When a child gets separated from their group, staff can often help reunite them with their grown-up because they know the people who make up the Parkview community.

Safety is always the top priority at Parkview Pool. This summer, our lifeguards performed only three active rescues, reflecting their watchful eyes, attentiveness, and familiarity with swimmers' abilities. Every staff member is trained in first aid and CPR, ready to respond when needed. From treating everyday bumps and scrapes to offering a Band-Aid to a toddler who may need a little extra comfort, our team understands that caring for guests means looking after both their physical safety and their peace of mind.

The Parkview Dream Team keeps the season going!

Our staff are also a reflection of the community we serve. Approximately 80% are residents of the Village or School District,

Parkview's future architects, drafting blueprints in sidewalk chalk between swims.

many with generational ties to the area. Their local roots bring a special sense of pride, familiarity, and belonging to the pool experience. The remaining 20% are individuals who have chosen to work at Parkview because of its reputation as a place that offers flexibility, training, and a supportive team environment. Together, they create a team that values connection, teamwork, and providing a welcoming experience for every guest.

Parkview isn't just a place where people come to swim; it's a place where staff know families, watch children grow, and help carry on community traditions. It's where small acts of kindness make a big difference, and where safety and friendship go hand in hand.

At Parkview Pool, the value goes far beyond the water. Summer may come and go, but the friendships, connections, and memories made here last a lifetime.

Parkview Pool is more than a swimming pool. It's a community, and we're proud to be part of it.

Santa Floats Through Mayfield Village

SATURDAY, DECEMBER 5, 2026

All times are approximate

11:00-Montebello

11:45-Wildwood, Bramblewood, Timberline, Creekwood, Deepwood, Zorn, Metropark, Hickory Hill, Woodbine, Oakton

12:45-SOM Ct., Thornapple, Meadowood, Eastgate, Oakwood, Walnut, Sandalwood, Butternut, Kenwood, Ravine, Robley

1:15-Village Trail, Hanover, Hardwood, Echo

2:00-Bonnieview, Glenview, Seneca

3:00-Aintree Park, Derby, Hunt, Beechers Brook, Chase, Northboro, Foxboro, Raleigh

4:00-Joyce, Robin, Hemingway, Worton Park, N. & S. Woodlane, Norman

For children/grandchildren of Mayfield Village Residents. Register your house & number of kids by 11/24 and each child will receive a small gift. The float does not stop along SOM, Highland, Lander, Ridgebury, Wilson Mills. Please do not wait on these streets. NOTE: Santa does not get off the float at every house!

SERVICE DEPARTMENT MECHANIC MICHAEL SCHAEFFER RETIRES AFTER 39 YEARS

Michael Schaeffer was hired to work in the Village's Service Department in 1987. After becoming skilled at plowing snow and performing all of the functions needed at the Department, Michael found a niche working as a mechanic, maintaining and repairing the Service Department fleet of vehicles and equipment for the last several decades.

Michael Schaeffer retired in August of this year. An employee luncheon was held to allow his co-workers to say goodbye, congratulate him, and wish him well. During the luncheon, Service Director Frank Stupczy spoke about Michael and his years of service. He described Michael as one of the most dedicated and reliable employees that the Village has ever had—an employee who truly cares about the Village and its residents. Frank described that Michael has always been the Department's "go-to" guy. Any time there was a problem, and employees were unsure what to do, someone would inevitably say, "Call Schaeffer." And they would. And he would respond, using his decades of experience and knowledge of the Village to find a solution. Michael has been the go-to guy at the Service Department for almost 40 years and he will truly be missed.

Congratulations Michael and thank you for your many years of dedicated service to Mayfield Village!

Michael Schaeffer with many of his Service Department colleagues at his retirement luncheon.

Winter is Coming...

Paul Matias / Chief of Police

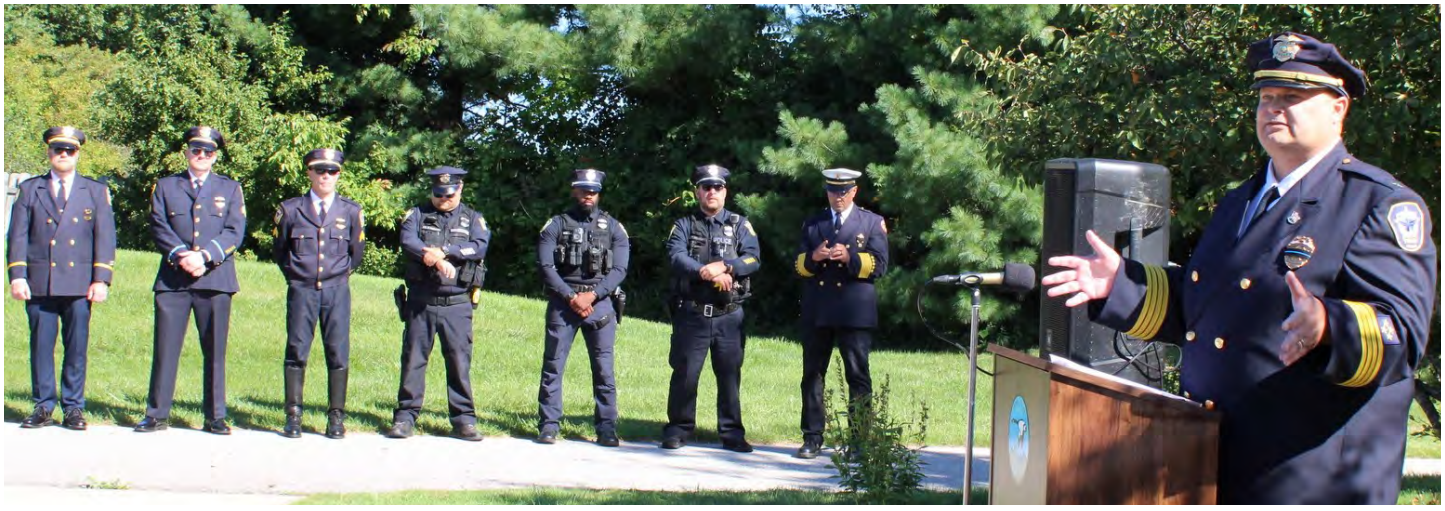

Paul Matias
Chief of Police

Now that Autumn is upon us, I want to say thank you to all of our Officers and Auxiliary Officers for a great summer. Once again, Cruise Night, Fireworks, and the Grove events were well staffed and safe. Our Officers work these events during their time off, sacrificing their days off to ensure our community's safety and security. Thank you to all of our staff for a great summer!

This year, Halloween falls on a Saturday, so please keep an eye out for ghosts and goblins during trick-or-treating. Soon after Halloween (sometimes before), we can expect our first snow.

Each year the cold and snow bring two things: disabled cars and crashes. The cold generally causes the disabled cars. The cold is very tough on cars in poor mechanical condition, so please check your vehicle and make sure it is in good working order so you don't get stuck. Crashes during snowstorms often happen because of unsafe speeds and following too closely. But there is one more thing we see a lot... bald tires. If you are a NASCAR driver or live in sunny California, you can get away with old tires. Here in the snowbelt, tires are a necessity. Please check your tires and make sure they are ready to get you through another Northeast Ohio winter.

As the holidays approach, please stay wary of scammers. Scams have become so common that almost everyone has received a scam attempt by phone, computer, or mail. If anyone tries to get your money or information, be skeptical, verify all requests, and don't rush into decisions. Talk to a friend or family member, or call the Mayfield Village Police SCAM HOTLINE at (440) 461-1236

As Mayor Bodnar mentioned in her article, on September 11th, I was proud to have an opportunity to speak at the First Responders Memorial Event. Thank you to all who joined us as we recognized 25 years since the attacks of September 1, 2001.

Clothes Dryer Safety

Jennifer Schultz / Fire Dept. Executive Assistant

Jennifer Schultz
Fire Dept Executive Asst.

If you're like me, you do a load of laundry every day. Or several! Do you know how important taking care of your clothes dryer is to the safety of your home? The leading cause of home clothes dryer fires is failure to clean them. Here are a few simple safety tips to help prevent a clothes dryer fire in your home.

- Have your dryer installed and serviced by a professional.
- Do not use the dryer without a lint filter.
- Make sure you clean the lint filter before and after each load of laundry. Remove lint that has collected around the drum.
- Rigid or flexible metal venting material should be used to sustain proper air flow and drying time.
- Ensure the exhaust vent pipe is clear and the outdoor vent flap opens while the dryer is running. Clean lint from the vent pipe at least once a year—or more often if clothes take longer than usual to dry—or hire a professional dryer vent cleaning service. Dryer vent cleaning kits are available at local hardware stores.
- Keep dryers in good working order. Gas dryers should be inspected by a qualified professional to make sure that the gas line and connection are intact and free of leaks.
- Make sure the right plug and outlet are used and that the machine is connected properly.
- Follow the manufacturer's operating instructions and don't overload your dryer.
- Turn the dryer off if you leave home or when you go to bed.

- Dryers should be properly grounded.
- Check the outdoor vent flap to make sure it is not covered by snow.
- Keep the area around your dryer clear of things that can burn, like boxes, cleaning supplies and clothing, etc.
- Clothes that have come in contact with flammable substances such as gasoline, paint thinner, or similar solvents should be laid outside to dry, then can be washed and dried as usual.

Mayfield City Schools
EVERY STUDENT. EVERY DAY.

Mayfield City Schools Earns 5-Star Overall Rating on State Report Card

Mayfield City Schools is starting the new school year with top marks, earning an **overall 5-star rating** on the Ohio Department of Education and Workforce State Report Card released September 15, 2026.

Mayfield earned **5 stars in five of the six state components**, placing the district among Ohio's highest-performing school systems in key areas of student success:

- **Progress — 5 Stars**
- **Gap Closing — 5 Stars**
- **Early Literacy — 5 Stars**
- **Graduation — 5 Stars**
- **Readiness — 5 Stars**

The district earned **4 stars in Achievement.**

"This is a tremendous way to start the school year and a true testament to the dedication of our teachers, staff and students, along with the ongoing support of our parents and community," said Superintendent **Dr. Michael J. Barnes**. "This is a well-deserved honor for all of us. Our students are stepping up, meeting challenges and showing what is possible when we work together."

In addition to the components, districts are rated on a Performance Index Score which accounts for the achievement level of every student. **Mayfield earned a 97.8 Performance Index Score.**

The results recognize Mayfield's continued success in helping students make academic progress, closing achievement gaps, building strong literacy foundations, graduating students prepared for their next steps and ensuring students are ready for college, careers and life beyond high school.

Dr. Barnes said the district will use the results not simply as a measure of past success, but as motivation to continue moving forward.

"We are proud of these results, but we are not standing still," Dr. Barnes said. "Our focus is forward. We will continue to challenge ourselves to innovate, personalize learning and create opportunities that help every student discover their strengths and reach their full potential. We have so much to be proud of, Wildcats. This recognition belongs to our entire Mayfield Family."

Fall Learning Opportunities

Wendy Albin Sattin / Executive Director

Wendy Albin Sattin
CPA Executive Director

Now that the **2026 Famous CPA Chili Cook Off is** in the books, we can take a deep breath and say thank you to our generous sponsors and donors, enthusiastic (and hungry!) attendees, astute judges and supportive Mayors. A special call out to the Fire Departments of Gates Mills, Highland Heights, Lyndhurst, Mayfield Heights, Mayfield Village, South Euclid and University Heights for their over-the-top delicious chilis. It was hard to choose the best because, in our book, you are all the best!

As you are aware, we are in the middle of the **Medicare Annual Enrollment Period** (October 15 to December 7). This is your opportunity to review your plans to make sure they work with your pharmacy, your doctors, your budget and have the extra benefits you want. Our Social Work team is here to provide unbiased guidance and advice while you review your plan. Feel free to reach out to Sally or Chanteal at 440-442-2626 ext. 244 with your questions.

November will be a busy month around CPA: Along with your favorites, we are adding some new opportunities for fun and learning:

- November 6: Sip and Paint sponsored by AARP @ 12:30 PM
- November 6 & 20: CardioDrumming @ 10:30 AM
- November 13: Ballroom dancing pop-up @ 12:30 PM
- November 17: Lunch N Learn- Technology for the Home @ 11:30 AM
- November 18: Hiking Club meets at Squire's Castle in North Chagrin Reservation @ 1 PM
- November 20: Medicare/Medicaid Update for 2027 @ 1 PM

There is something for everyone! More information is included in our newsletter which is available on line (www.communitypartnershiponaging.org) or in the Civic Center and Community Room. Call Delvon with questions or to reserve a space at 216-978-5050.

Let us remember on **November 11, Veterans Day,** we honor and thank all who have served our country with courage, sacrifice, and dedication.

As we enter this season of gratitude, research (and common sense) suggests that one aspect of Thanksgiving can actually lift the spirits, and it's built right in—expressing gratitude. Gratitude helps people feel more positive emotions, improve their health, deal with adversity, and build strong relationships.

So as we roll into the winter holidays, make sure you take some time to take care of yourself, reflect on what's positive, and try something new with CPA!

Senior News / Samantha Clark-Cartwright

Program & Facilities Manager / Senior Program Coordinator

Samantha Clark-Cartwright
Program & Facilities Manager
Senior Program Coordinator

As we welcome the fall season and look ahead to the holidays, Mayfield Village Senior Services is excited to continue bringing residents together through meaningful programs and special events, providing opportunities to connect with friends and neighbors.

In November we would like to invite all veterans and one guest to join us for our annual **Salute to Veterans on Wednesday, November 11, from 10:00 A to 12:00 P in the Mayfield Village Community Room.** This special gathering is an opportunity to honor and thank the brave men and women who have served our nation. We look forward to coming together as a community to recognize their service and sacrifice. This event is sponsored by Dignity Memorial and Pizzazz Pizzeria. Registration is required. To reserve your spot, please call 440-919-2332.

We also look forward to the holiday season, which is a wonderful time to celebrate community and friendship! Join us for our **Resident Holiday Party on Thursday, December 3, from 12:00 to 2:00 P in the Mayfield Village Community Room.** This festive gathering is a chance to enjoy the season, spend time with fellow residents, and make special holiday memories. Registration is required and will open on October 30. We encourage residents to register early and look forward to celebrating with you!

We have introduced many new programs this year to give our community even more ways to stay active, creative, and connected. Whether you enjoy learning a new skill, sharing a good book, or simply spending time with others, there is something for everyone!

Join us for **Chair Zumba** to enjoy movement and music in a welcoming environment, or try **Beginner Mah Jongg Lessons** to learn a new game and challenge your mind. Our **Cell Phone Photography Club** offers an opportunity to share photos, learn helpful tips to improve your photography skills using your phone. If reading is more your style, check out our **Silent Book Club,** where you can enjoy your own book alongside fellow readers, or join the Fireside Book Club to discuss a selected title with others.

Looking for a creative outlet? **Crafty Corner** provides a relaxed space to work on your own projects or explore new ideas. Annemarie always looks forward to sharing her crafting skills to teach everyone to make something fun. These are just a few of the many opportunities available through Senior Services. If you see something your are interested in or want more information on any of the mentioned programs please call Senior Services at 440-919-2332.

We encourage you to step outside your usual routine, try something new, and discover a program that interests you. We are always looking for ways to make Senior Services welcoming, engaging, and enjoyable for everyone in our community.

As we enter the holiday season, all of us at Mayfield Village Senior Services wish you and your families a happy, healthy, and safe holiday season. May the coming months bring you warmth, laughter, and cherished memories. We look forward to seeing you at our upcoming events and programs!

Fall Leaf Collection Reminders

Frank Stupczy, Service Director

Frank Stupczy
Service Director

Yearly leaf collection is one of the Service Department's principal responsibilities. It is our goal to provide efficient and effective leaf collection service to the entire Village every fall. This goal can only be realized through a cooperative effort between our Service Department picking up the leaves and our residents bringing the leaves out for collection at the road.

A successful leaf collection program requires the dedication of a majority of our Service Department personnel and equipment throughout the fall season. This usually means some of our other services are stopped or slowed down considerably during the fall, so we appreciate your patience in advance. Keep in mind our crews follow a very specific route to ensure fair and equal service provision. If you see our leaf crew drive by before you have your pile out, we will be back, there is no need to call. **If you haven't already, please sign up for text messages from our Service Department through Civic Ready at** https://mayfield-village-oh.myfreealerts.com/

This year our leaf collection is scheduled to **begin mid-October and end December 18th**. With the fall season in full swing, I've provided a few guidelines to keep in mind when performing your part in this cooperative effort. If you contract your leaf cleanup, please help us by sharing these reminders with your contractor.

Rake Leaves in Windrows, not Piles: Rake leaves in long piles (windrows) along the tree lawn on curbed streets, or along the *street side* of the ditch. Please do not fill the storm ditch with leaves. Our machines do not reach down into drainage ditches easily. Ditches filled with leaves are very difficult to clear out and slows our cycle-time greatly. Also, drainage ditches filled with leaves and branches create flooding and road safety hazards.

Keep Windrows Close to the Street and Away from Obstructions: Our vacuum trailers have limited reach from the road. Leaves piled further than 8' from the road will not be picked up. Picking up leaves piled up around obstructions can cause damage to our vacuum trailers and will be left behind. If possible, keep leaves at least 4' away from any obstructions such as street signs, mailboxes, trees, and light poles.

Please Separate Branches from leaves: Machines cannot pick up leaves when they are mixed with large branches. Please make a separate pile of branches for our crews to pick-up separately. If branches are placed on top of your leaf pile, we will ask you to separate them before we will pick either up.

Rake Early and Often: Don't wait until the end of the season to bring your leaves to the curb. Inclement weather will cause delays. Workers and trucks that pick up leaves are the same that plow snow and spread salt. Once it begins to snow consistently, Service will not be able to pick up leaves.

There is no Spring pick up: The Village **begins pick up mid-October** and **ends this year December 18th** on all residential streets. Leaf and yard debris to be disposed of outside of leaf collection season must be bagged in paper landscape bags no more than 50lbs each and put out with regular trash collection.

Fall Cleanup Made Easy

Lisa Lesner, Service Department Executive Assistant

Lisa Lesner
Service Dept.
Executive Assistant

Crisp air, colorful trees, pumpkins—and lots of leaves! As autumn arrives, a little preparation can make fall cleanup easier for everyone. Here are some quick **do's and don'ts** for a safe and successful season.

LEAVES: DO IT RIGHT!

- Make sure to read this VOV issue's article from our Service Director, Frank Stupczy, for specific **how-to's** when bringing leaves to the curb. Please communicate **how-to's** with your landscaper.

- **We ask for your patience!** Our crews try to cycle through the Village once per week. During heavier collection periods or weather events, collection may slow to a week and a half or even two weeks. Don't worry—we will catch up! Brush will also be picked up regularly, but more slowly due to equipment and personnel constraints.

- **Rake early and often!** Don't wait until the end of the season. Weather can cause delays, and once consistent snowfall begins, our crews and equipment move to winter operations. **Leaf collection ends when snow operations begin.**

GIVE YOUR PUMPKIN A SECOND LIFE!
After Halloween, bring **non-painted pumpkins** to our special pumpkin recycling dumpster, located near our building at 610 SOM, at Wiley Park. Remove candles, decorations, and other non-organic materials first. **Painted pumpkins do not belong in the dumpster.**

RECYCLE THOSE BOXES!
Fall deliveries can mean extra cardboard. Break down **clean dry cardboard** and recycle it according to local guidelines.

SKIP THE "WISH-CYCLING"
Not sure if something belongs in your recycling bin? Don't guess! Check our website for recycling guidelines before putting it in the bin. Keeping the wrong materials out of recycling helps our program run smoothly. https://mayfieldvillage.com/2023/01/19/recycling/

A LITTLE FALL PREP GOES A LONG WAY!
By placing leaves correctly, separating branches, recycling eligible materials, and giving pumpkins a second life, you're helping keep our community clean, safe, and ready for winter.

CHECK OUT THE MANY TIMELY RECYCLING EVENTS HOSTED BY THE SOLID WASTE DISTRICT AT CUYAHOGARECYCLES.ORG!
The SWD sponsors many recycling events throughout the year. This year they are holding a Holiday Décor Swap at their facility in Garfield Heights. Recycle holiday decorations that you don't want anymore and maybe pick up something new! All for Free!

The Mayfield Township Historical Society

The Bennett-Van Curen Historical House

Please join us for our speaker series. It's free and open to the public at 7 pm Mayfield Village Community Room. Bring a friend.

February 10 – Cleveland's Underground Railroad –Herb E. Burns, author & narrator of several underground railroad books, will present the history of fugitive slaves, the abolitionist movement, and the fugitive slave laws.Cleveland was a vital last stop before freedom seekers crossed Lake Erie into Canada. His presentation will include the network of underground railroad locations and safe houses in and around the greater Cleveland and Lake Erie areas.

March 10 – C'mon CAVS! The History of the Cleveland Cavaliers –Carl Quatraro, local entertainer and storyteller, presents the tale of Nick Mileti's dream of an NBA franchise realized in 1970 with the birth of the Cleveland Cavaliers! Carl will lead us through the 50+ seasons of Cavs basketball in Northeast Ohio.

April 14 – The Air Laboratory of the World: Cleveland's Air Races –A speaker from the Western Reserve Historical Society will join us with the story of the National Air Races, held in Cleveland from 1929 to 1949, and earned the city its prestigious moniker "The Air Laboratory of the World". As a massive proving ground for aviation during the industry's Golden Age, the races drove vital technological innovations and celebrated aviation's daredevils and heroes.

May 12 – Ella Fitzgerald, The First Lady of Jazz—Women in History performer, Debra Rose, will share the life story of Ella Fitzgerald and perform some of Ms. Fitzgerald's most memorable songs. Ella was the most popular female jazz singer in the U.S. for more than a half a century. In her lifetime, she won 13 Grammy Awards and sold over 40 million albums. Members are reminded to turn in quilt raffle tickets/money, the drawing will be held tonight. You can still purchase tickets, 3 for $5 or $2 each.

SEWER ASSESSMENT TO INCREASE IN 2027

CUYAHOGA COUNTY, Ohio

For more than 40 years, Mayfield Village has contracted with Cuyahoga County to provide maintenance and repair of the sanitary sewers located in the right-of-way and the five pump stations located within the Village. This work is paid for through a Sewer Maintenance Fund that is funded through property tax assessments. Historically, the rate was $4.00/ft. of property frontage per year, but was reduced in 2021 to $2.00/ft. Maintenance costs have increased and the assessment has been returned to $4.00/ft. in 2027 for tax year 2026.

HOW TO HANDLE A SEWER BACKUP AT YOUR HOME:

If residents experience a backup in a sanitary sewer line, slow running drains, gurgling, etc., call the Service Department at 440-442-5506 to report the problem. If the issue occurs after hours or on a weekend, call the non-emergency Police line at 440-461-1234.

The Service Department or the Police Dispatcher will contact the County to come out to make sure there is not a blockage in the sewer lines in the right-of-way. Any needed repairs are the responsibility of the homeowner and you must contact a plumber. The County will not perform any repairs on private property or annual maintenance or jetting of lines. Thank you for following these important guidelines.

FREE ADMISSION · ALL AGES WELCOME · RESERVE HALL

Winter Break Concert Series

THURSDAYS · 6:30–8:00 P.M. · RESERVE HALL

Take a break from the cold and come hear some great free entertainment. Four Thursday evenings of live music from local and regional artists — polka, chamber and jazz, rockabilly, and Celtic folk — in a warm, welcoming hall. Something for every ear, and a good excuse to get out of the house.

FEB 18 THURSDAY

PUNK-FLAVORED POLKA

Chardon Polka Band

What began as a rebellious high school project in 2003 has grown into a nationally touring, genre-bending polka act, mixing traditional oom-pah with punk rock flair and quirky humor. Fans of this eccentric Cleveland-area crew range from toddlers to seniors.

FEB 25 THURSDAY

CLASSICAL · JAZZ · COVERS

OPUS 216

A genre-blending Cleveland ensemble that plays everything from classical and jazz to modern covers and original works. Since debuting at the Cleveland Museum of Art in 2012, they have released three albums and performed across the country while staying proudly rooted in their hometown.

MAR 4 THURSDAY

ROCKABILLY & HILLBILLY

Boom Rockets Band

The Boom Rockets bring together three top regional musicians with a shared love of rockabilly and hillbilly music. Known for high-energy performances at festivals, clubs, and private events, with original music available on all major streaming platforms.

MAR 11 THURSDAY

CELTIC FOLK & SEA CHANTEYS

LochErie Irish Band

A Celtic folk trio based in Lake County, Ohio. Bill, John, and Steve draw on backgrounds in rock, folk, electronica, and ethnic music, moving easily from timeless Irish tunes to rousing maritime songs. The perfect way to warm up a winter evening.

All four concerts are free and open to the public.

RESERVE HALL · FEBRUARY 18 – MARCH 11

Heritage Home Program Offering New Low-Cost Loans for Home Repairs & Improvements

Mayfield Village participates in the Heritage Home Program, which is run by the Cleveland Restoration Society. Jasmine Prezenkowski, the Heritage Home Program Manager, recently attended a Citizens Advisory Committee meeting to provide information about financing available for home repairs and improvements. The full presentation is available on the Village's website, but here are some things you might like to know:

- The mission of the Cleveland Restoration Society is "preserving, protecting, and celebrating historic buildings and places that foster vibrant and inclusive communities." They created the Heritage Home Program (HHP) to provide assistance for homes that are at least 50 years old.
- HHP offers free technical assistance to residents, including giving impartial advice about home projects, both interior and exterior.
- HHP connects homeowners with reputable contractors for home improvements or repair, and can provide guidance on a preservation approach to maintenance, repair or improvements.
- Representatives of HHP are construction specialists and will come to the home for a 30-minute site visit, free of charge. They can help determine project prioritization, recommend energy efficiency upgrades, and help with picking paint colors. Whether or not the homeowner selects a contractor through HHP, their staff will review estimates both for the technical aspects and to advise if the quote is too high.
- HHP also assists with discount financing for home repairs or improvements. Loans are currently being offered through PNC Bank and interest rates are 0.5% below PNC's standard rates, determined on an individual basis.
- The HHP standards are sometimes higher than Ohio Building Code standards and, because they are a preservation organization, they are not fans of vinyl siding or vinyl windows, making those items ineligible for financing through HHP.
- The types of items that are regularly funded include cutting down or trimming trees, sewer tie-ins, generator installations, masonry work, electrical updates, interior or exterior painting, roof repair, and construction of garages.
- The minimum loan is $10,000 and the maximum loan is home equity dependent. HHP charges a 3.5% fee for any loan and handles the payment process with the contractor, reviewing the invoices, ensuring that permits are pulled and the contractor is carrying appropriate insurance.
- The HHP website includes videos with helpful home repair information and online resources for projects. Site visits can be scheduled on the website as well.

Call 216-426-3110 for information or visit https://www.heritagehomeprogram.org/ or https://preservationtoolbox.heritagehomeprogram.org/resources/preservation_toolbox.php#/homeMaint

Mayfield Women's Club

The Mayfield Women's Club is a 501(c)(3) local service club whose purpose is to bring together women in an organization to benefit others and themselves by promoting civic, cultural and social welfare. We work to improve our community through charitable giving and volunteer service.

Meetings are held the third Monday of the month at 7:00 pm at the Community Room unless otherwise noted. **Our programs are free and open to the general public**.

October 19	**Growing Up in Cleveland** Do you remember Captain Penny, Barnaby and Ghoulardi? Come see a presentation by Dennis Sutcliffe, a local historian. **Program begins at 7:00 pm.**
November 16	**Progress in the Autism Spectrum: Eric Ahnell, mentored by Pam Friedhauer.** Hear from an individual who finds success as an IT specialist, with help from a friend. **Program will be at the Mayfield Library and begin at 2:00 pm.**
December 5	**Members Holiday Party**
January 18	**Enjoy a social afternoon with Bingo & Bunco at the Mayfield Library beginning at 2:30 pm**. – **contact Marie for details – 440-449-8639**

For further information on meetings, programs, social events, and membership: Email us at: mwcinc.gfwc_ohio@yahoo.com See us on Facebook at: Mayfield Women's Club, Inc. GFWC/Ohio
